## Public Must Act Now To Insure Success of Program, Says Board

### Misunderstanding Plagues Hearing On P.S. Street Lighting Program

(CNS)—Misunderstanding has almost "blackened out" what a street lighting program offered to suburbs and new subdivisions by the Public Service company division of Commonwealth Edison is all about.

The utility is willing to install and maintain street light poles but like any businessman wants to be paid. However, the charge would be only where the street lights aren't on the same poles that carry the company's regular electrical distribution lines.

These cases are mainly in new subdivisions with underground electrical distribution systems and those wanting the distribution lines at the rear of lots, not in front.

Officials of the utility hailed the plan at an Illinois commerce commission hearing in Chicago Thursday as a good deal for the suburbs. "It eliminates community responsibility for maintenance of the street lighting system", they said. More important, they contended, the service is offered "at a cost which the community can afford."

#### Village Officials Suspicious

But reaction of suburban representatives was skeptical for the most part. A few, during moments the hearing was "off-the-record," indicated that they wouldn't touch the proposal even with insulated rubber gloves. They regarded it as "too hot" politically because the charge is almost \$1,000 per light pole over a 25 year period.

A pole costs the company \$96, but there are other costs to consider, said Ralph Raymond, utility's commercial manager. These include a "modest return on investment, income taxes, depreciation, general taxes, and maintenance", Raymond said.

A village would pay 1 1/4 per cent monthly or per cent annually on the company's investment over the life span of a pole, which for accounting purposes is considered as 25 years, said Arthur Gehr, the utility's attorney.

#### Wants Poles Free

Figured on the company's stated cost of \$96 per pole plus \$32 for cost of one strand of conductor wire, suburban representatives arrived at a fee of \$39.20 yearly or \$980 per pole over a 25 year period.

"We can't see the idea of where we have to pay for a pole. Malrose Park never paid for poles in the 23 years it's been its attorney," Guy C. Guerine.

"It seems to me this is more like another way for the company to increase rates without a rate hearing," complained Albert J. Jantorni, attorney representing Broadview and Bellwood.

Harold Appleby, village manager of Mount Prospect, disputing this, questioned: "Hasn't it been the general practice in Mount Prospect for the company to install all poles free, rather than on occasion?"

(Continued to Page 2)

### No Boost In Commuter Fares

(CNS)—Railroad commuter fares remained unchanged in an Illinois commerce commission order allowing 10 1/4 per cent increase in passenger fares in intrastate travel.

The hike applies to coach and first class fares and excess baggage charges but not to local coach fares. What the ICC did Thursday was to light its earlier suspension of the new tariffs.

There is no rate boost for the Illinois Central electric suburban operators or any of the following:

—Chicago North Shore and Milwaukee railroad local coach fares between Chicago and Winthrop Harbor, Chicago and Mundelein, and intermediate points.

—Rock Island line in territory between Chicago and Joliet via Washington Heights, 103rd st., or via Brainerd and between intermediate stations.

—Local coach fares on the Chicago and North Western, Burlington, and Milwaukee Road lines.

### Sorry We're Late But a Couple of Press Gears Broke

Delivery of your paper was delayed today because of the breaking of two gears on the press about noon, Wednesday. Plant Foreman Martin Medema took them to the manufacturer's plant in Chicago. There were none in stock. One of the offending parts could have been rehabilitated and the other replaced by machining, but no chance. A strike vote was to be taken at 2 o'clock and as a consequence the plant was closed at that time.

Thanks to the Mokena Wall Paper Co., however, we are in business again. John Searth, one of the own and operators of the wall paper plant and Arthur Benson of the machine shop there, both highly skilled machinists, cut new teeth in the section on the larger gear in which Plant Foreman Medema had had a chunk of brass welded, and then proceeded to make the smaller gear. They worked late into Wednesday night and we were rolling this morning. We are fortunate to have such a nice neighbor as the Mokena Wall Paper Co.

Immediate action on the applications for sewer and water service is necessary if the Mokena sewer program is to be carried thru, officials pointed out at a special meeting of the village board Tuesday night.

The applications have been in the hands of the property owners in the village for two weeks now and the response has been slow. Before the bond houses will purchase the issue necessary to finance the sewer program they want at least 350 applications for service, signed and delivered to the village clerk. The applications are to be accompanied by a deposit of \$10.

Time for disposing of the bonds is running out and if no action is forthcoming immediately on the applications, it was said, there will be no sale. And if the bonds aren't sold Mokena will lose a \$69,000 grant. This grant is from the federal government and is allotted in pursuance to a program to free streams of pollution thru sewage. Since a grant does not have to be repaid, losing it would mean that Mokena property owners would have to make up the sum, on any future sewer project. Village officials don't want this to happen, hence their desire to get the applications signed immediately.

Of the bond issue, \$100,000 will be general obligation bonds which is to say that they will be retired thru taxes. The remainder will be water and sewer revenue bonds, which are retired from the income derived thru the sale of water and fees for treatment of the sewage.

For the past week, officials related, there has been considerable misinformation spread in the community relative to the bills that would be assessed against water and sewer users. The gossip has it that the bills would average \$15 a month. Village officials brand this as false.

Village Engineer Robert Hamilton estimates that the average bill for sewer and water will be approximately \$6.90 a month. This will enable the village to meet interest and principal payments on the revenue bonds as well as operating expenses and repairs.

The bills will be sent out every two months.

The present minimum figure for water only is set at \$2.50 a quarter. Such a rate is described as unrealistically low and and whether the village installed sewers or not the board intended to increase the rate and put in new meters. Too many meters now are defective and the result is that the village loses considerable revenue.

When the sewers are built new meters will be installed and by reading them every two months the village will be able to maintain a close check on them. When a meter is found defective it will be replaced.

There are approximately 10 homes in the village that have private wells. A formula will be worked out under which they will pay a certain amount on a monthly basis for use of the

(Continued to Page 2)

### Frankfort Seeks Formation of Fire District

A petition signed by some 150 Frankfort citizens was filed last week with County Clerk Joseph H. Hartley, asking for an election to form a Frankfort fire protection district.

The fire department previously answered calls from individuals whose names appeared on the roll as having paid a yearly \$3.50 tax toward the support of the department. Presently they are operating under a new ruling, answering all calls and charging for same.

The proposed fire district would encompass all of Frankfort township including the village of Frankfort, except the north section wherein lies the village of Mokena; and all of Green Garden township with the exception of a small area in the southern section that now is part of the Manhattan fire protection district. To be included also is a section and a quarter of land in Rich township, immediately adjacent to the Frankfort township.

Residents on the fringe of the proposed district may petition to be included or excluded as they so desire.

When county judge John Cowing has set the date for the hearing on the petition, it will be announced several weeks in advance.

If the petition is found to be in order at the hearing Judge Cowing will set a date for an election on whether the district should be formed.

The petition was filed thru attorney John Verklan and the law firm of Krusemark and Berani.

The Frankfort fire department is selling tickets for a dance to be held Aug. 25, in the Frankfort Grove. The affair will start at 6 p.m. Refreshments will be available. This is the first fund-raising activity the department has held for the past two years.

The committee in charge of the dance is composed of fire chief, Fred Kohlheger, Herbert Lambrecht, chairman, Walter Harnack, and Clyde Reils.

### 4-H Club to Hold Annual Fair At Peotone Aug. 1-2

The Mokena-Frankfort-New Lenox 4-H club will exhibit projects at the annual 4-H Agriculture Fair being held in Peotone today and tomorrow.

Today their exhibits will include sheep, garden produce, poultry, dairy products and rabbits. On Friday, beef and swine will be exhibited.

### Train Victim Was Jolietan

The man who fell from a Rock Island train, about two miles west of Tinley Park, last Wednesday afternoon was identified late the next day at the Cook county morgue as John C. Stofchick, 60, of 306 First ave., Joliet.

He was enroute Posen to visit a daughter, Dolores, Mrs. Robert Schuit. There was no identification on the body. He did have a ticket from Joliet to Midlothian and had intended to take a bus from the latter station to Posen.

Stofchick fell from the rear car, landing headfirst on a rail.

A native of South Chicago, Stofchick had been a resident of Joliet for the past 40 years. He formerly was employed as a guard at the Illinois state penitentiary and retired four years ago after 29 years of service.

He is survived by his widow, Mary; two sons, Charles of Joliet and Lawrence, of Lansing; a daughter, six brothers all of Whiting, Ind., and four grandchildren.

Funeral services were held Monday at St. Mary's Carmelite church, Joliet, with burial in Mt. Olivet cemetery under the direction of the Gerald Dames and Sons funeral home.

Oat breeders at the University of Illinois last year eliminated 2,900 of 3,600 oat varieties in their search for disease resistance.

**THREE TIME WINNER**—The drum and bugle corps of William Martin post, VFW, Mokena, is displaying some of its trophies, one of them, having been won at South Chicago Heights, July 14, where the outfit came in first in a competition that drew numerous entries. It was the third consecutive year that the Mokena post won first prize. The Mokena drum and bugle corps marched in the parade at Worth last Saturday but there was no competi-

tion. Bob Fortman won third prize at South Chicago Heights in the antique car division with a 1928 Nash. He entered the car under the name of the drum and bugle corps. Jack Gorman, corps master, has high praise for members of the corps. Persons interested in joining the organization may get in touch with Gorman. His telephone is Mokena 4972. The corps practices every Monday night at 7:30 o'clock at the VFW hall.

## Can't Pay Fine So Mokena Man Is Sent to Jail

Joseph Spetyle, 43, of 115th avenue, Mokena, is serving out a \$200 dollar fine in the Will county jail. He was found guilty of disorderly conduct by Justice of the Peace Anthony R. Mackay at Joliet Tuesday and fined \$200 on recommendation of the state's attorneys office. Not having the money Spetyle was sent to jail to serve it out. It will take him approximately 40 days.

Spetyle was arrested Saturday, July 27, on complaint of his mother, Mrs. Kate Spetyle, 63, with whom he makes his home. According to the report of Mokena Police Chief James Smetana, who arrested the defendant in the village. Spetyle is alleged to have threatened to cut

## Woman Injured At Mokena Tavern Leaves Hospital

Mrs. Frances Guthrie, 46, of Mokena, has been discharged from Silver Cross hospital where she was taken Sunday night. She was removed by the Gerald Dames and Sons ambulance from the Muehler tavern in an unconscious condition.

Her husband Lee, 66, was questioned by Sheriff Roy Doerfler. In the absence of any formal complaints, there have been no arrests.

his mother's throat unless she gave him money. She gave him \$10 and he left. The mother then called Smetana and when the latter found Spetyle most of the ten gone and Spetyle was quite drunk.

## Death Claims Edith Heusner Of Frankfort

Funeral rites for Mrs. Edith Heusner, 61, late of Frankfort, were held there Sunday afternoon at 2 o'clock at St. Peter's church with the Rev. Erich Bizer officiating. Interment was in Pleasant Hill cemetery.

Mrs. Heusner, the former Edith Wischover, who was born at Frankfort Dec. 24, 1895 and lived there all her life, died Friday, July 26. She was married to Fred Heusner February 26, 1916.

Mrs. Heusner was active in community affairs and was a member of the Women's Guild at St. Peter's church; the Frankfort Woman's club, the Amite Sewing club and Camp No. 6036 Royal Neighbors of America.

Besides her husband, Mrs. Heusner is survived by one daughter, Mrs. Burton Breidert, of Frankfort; one sister, Clara, Mrs. Ernest Pfeifer, of New Lenox and one grandson.

## MISUNDERSTANDING—

(Continued from Page 1)  
**Not All Poles Involved**  
"It's the company's position that those who need additional poles should pay and not those who don't," Gehr said.

It wasn't until near the hearing's end that fears the company wanted to charge for all poles were dispelled. If a pole is used for any purpose other than street lighting by the company, there would be no charge. Also, poles already up would not be affected under the plan the utility wants the ICC to approve.

Frank Foster, chief ICC electrical examiner, continued the matter to Aug. 15. Jantorni and others said they wanted to confer with their village boards.

## No Parisian Trip But Can Cut Grass

Russell Bennett, of Mokena missed on the trip to Paris but he did win a Tag-a-toro power mower in a recent national contest, which Bennett entered thru the Swanberg Farm and Auto Service Co., local distributors.

Prize included a trip to France and 200 mowers. Bennett is one of the 200 that has to stay home and cut grass.

Coughing, sneezing and gasping for breath are the most noticeable signs of most respiratory diseases in chicks.

## Five Motorists Pay Fines at Mokena

Three motorists were fined \$3 and costs each for running stop signs, one paid a similar amount for parking on the wrong side of the street and another was fined \$5 and costs for driving too fast on Wolf road. All cases were tried by Justice of the Peace August Werner holding court in the Mokena village hall. All of the arrests were made by Mokena Police Chief James Smetana.

The three who ignored stop signs are, Mrs. Rosemarie A. Wagner, 323 E. First st., Mokena; Joseph L. Yates, 16, Rt. 1, Frankfort and Edward Wesels, 69, 6039 Oconto ave., Chicago.

The driver who was parked on the wrong side of the street was Albert T. Jetter, 31, Chicago, employed by a business firm there.

William C. Kruchten, 22 Rt. 1, Frankfort, paid \$7 because of traveling too fast for conditions.

## Luck All Bad For D. L. Miller

Last week was not a good one for Donald L. Miller, of Mokena.

Early Wednesday morning the truck which he uses to earn his livelihood was struck and damaged by a motorist who apparently zigged when he should have zagged.

Wednesday afternoon Miller was arrested by sheriff's deputies on the complaint of James Surovick, a Mokena tavern operator. Surovick charged that Miller gave him a check for \$100 that was returned by the bank on which it was written with the notation, "non-sufficient funds."

## Fined \$200

Miller was brought before Justice of the Peace Anthony R. Mackay at Joliet on formal charge of disorderly conduct.

He was fined \$200 and costs and made restitution on the check. That was on Thursday.

Hearing on the case of the driver that hit Miller's truck was scheduled to come up that night before Justice of the Peace August Werner. The defendant, Joseph Zakar, 43, of 2402 S. Ridgeway ave., Chicago, who had been arrested by Mokena Police Chief James Smetana, pleaded guilty to a charge of disorderly conduct and was fined \$100. He also paid \$15 costs. Zakar carried insurance that is expected to take care of the damage to Miller's truck.

## PUBLIC MUST ACT—

(Continued from Page 1)

sewers and sewage treatment plant.

In the meantime the village board has advertised for bids on the proposed sewer and sewage treatment plant. The bids are to be opened Aug. 22 but with the understanding that no contract will be awarded unless the bonds are sold.

Also as a part of the preliminaries to the sale of the bonds the village board has made an agreement with Everett Cooper relative to payment of the village's share of water main extensions on Mokena, Bryant and Parker, which were installed several years ago at Cooper's expense.

According to minutes of a meeting of the village board held at the time the mains were extended, the village was to pay Cooper \$400 a year until its share had been met. No such payments were ever made. For the village to establish clear ownership of the lines involved an agreement was reached with Cooper under which the village pays him \$3,350, or half of the cost of the project.

The board expects to acquire the line running from Wolf road to the new public school within the next several days. The watermain was installed by the school board.

But the immediate step is the filing of the applications for service. Village board members ask the public to cooperate.

Temperature at the geographic South Pole is expected to reach 120 degrees below zero in August.

## Name Two From Hedges Clinic To Hospital Staff

Silver Cross hospital has announced the appointment this week of Dr. Irving Rudman of the Hedges clinic to the position of assistant chairman of the surgical committee.

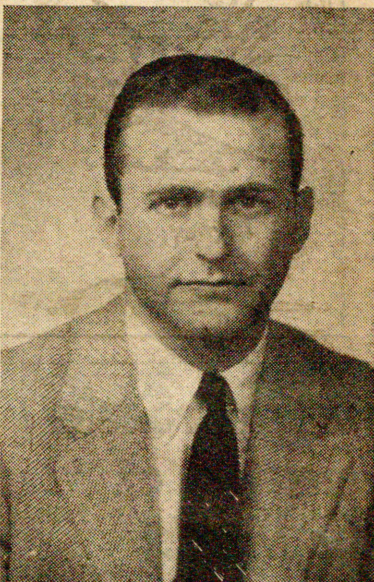

At the same time Dr. Claude Otto, also of the Hedges clinic,

Dr. Otto

was appointed to the executive committee of Silver Cross.

Dr. Rudman was graduated from Yale Medical school in 1947. He served his residency at Meyer Memorial hospital at

Dr. Rudman

Buffalo, specializing in surgery, which led to his board certification. Dr. Rudman is a member of the American College of Surgeons.

Dr. Otto was graduated from University of Nebraska in 1942 and interned at the University hospital. Dr. Otto has been in practice since 1946 in the field of obstetrics and gynecology.

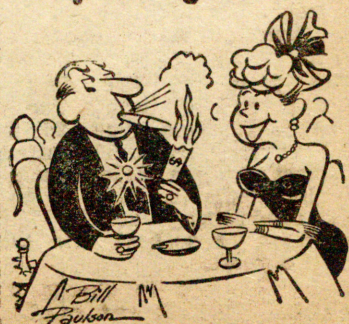

## Bills at Training Camp in N. Carolina; to Return Saturday

Col. George R. Bills, 98 E. Parker Road, Mokena, is currently attending a two-week encampment at Fort Bragg, N. C., for training with the 322d Logistical Command, Chicago area Army Ready Reserve unit.

Members of the command will engage in field and staff training, including range firing, an overnight bivouac, and a command post exercise.

This unique organization, designed to provide administrative support in combat for units ranging in size up to one-half million men, will leave Fort Bragg, August 3 for its home station at Bryn Mawr Armory, 2025 E. 71st Street, Chicago.

## Betrothal of Frankfort Couple Announced at Lawn Party Sunday

Lorraine Redman

Mr. and Mrs. Fred Redman, The young couple has set the announced the engagement of their daughter Lorraine C. Redman to Milton C. Batson, son of Mr. and Mrs. Elmer Batson, of Frankfort, at a lawn party held at their home last Sunday. The 114 invited guests included friends and relatives.

## Orland Park Woman's Club Plan Varied Activities For 1957-58

Plans of the Orland Park Woman's club include a display and sale of goods made in the occupational therapy department of the Oak Forest hospital, on Saturday, August 3.

The sale which will be held in the home of President, Mrs. Ekberg, will start at 10 a.m. and continue thru the evening. Refreshments will be served.

On Sept. 18, the club will hold a silver tea in the home of Mrs. Stanley Ray, starting at 1 p.m. Each club member is requested to bring a friend.

A penny social, card and bunco party and a silent auction are included in the club's plans, dates of which will be announced later.

### New Officers

The newly elected officers of the organization are Mrs. Karl Ekberg, president; Mrs. Fred Blackstone, first vice president; Mrs. Orville Schmaedeke, second vice president; Mrs. Ralph Town, recording secretary; Mrs. Chester Williams, corresponding secretary; and Mrs. Frank Buck, treasurer.

An executive board meeting was held July 15, in the home of Mrs. Ekberg. The following committees have been appointed:

District delegates: Mrs. George Gee, Mrs. Sherman Knox; alternates, Mrs. Harry Anderson, Mrs. Harry Pihl.

American Citizenship: Mrs. John Barton; Civil Defense, Mrs. Robert Horn.

American home: Mrs. S. V. Smith; Art, Mrs. Harry Anderson; Garden, Mrs. George Durst; Federation extension, Mrs. Orville Schmaedeke; Illinois Club Woman, Mrs. George Gee; Indian welfare, Mrs. Henry Eierdam; Literature, Mrs. Lucius Patton.

International Relations: Mrs. Frank Buck; legislation, Mrs. Karl Ekberg; Marquette School for Boys, Mrs. Rose Vonder-smith; mental health, Mrs. Lester Sayers; music, Mrs. Adele Cooper; occupational therapy; Mrs. Ekberg; Park Ridge School for Girls, Mrs. Stanley Ray; press and publicity, Mrs. Sherman Knox; program, Mrs. Fred Blackstone; reservations, Mrs. Ekberg; Spring luncheon, Mrs. Knox, Mrs. Blackstone and Mrs. Ekberg.

Parliamentarian, Mrs. Stewart Loebe; reception, Mrs. Wesley Lindquist, Mrs. Patton; revision, Mrs. Harry Pihl, Mrs. Harry Anderson, Mrs. S. V. Smith, Mrs. Frank Buck, Mrs. Robert Horn and Mrs. Stewart Loebe.

Finance committee: Mrs. Orville Schmaedeke, Mrs. John Loebe; auditing, Mrs. Karl Ekberg, Mrs. Blackstone and year book, Mrs. Stewart Loebe.

## Beverly Lauffer and William F. Haas, Jr., Will Wed Saturday

Mr. and Mrs. Clarence Lauffer announce the approaching marriage of their daughter, Beverly, to Sgt. William F. Haas, Jr., son of Mr. and Mrs. W. F. Haas Sr.

The wedding will take place in St. John United church, Mokena, Saturday, Aug. 3 at 4 p.m. The wedding reception will follow in the VFW hall on Wolf road.

All friends and relatives are invited to both the service and reception.

### Coming Events

Sat. Aug. 17, Hay rack ride by Teen club, Mokena.

In 1956 there were 18 new deep coal mines either opened or placed in development with a total planned daily capacity of more than 47,000 tons.

## WHAT TO DO WHEN BREATHING STOPS

These five figures illustrate, from top to bottom, the steps in mouth-to-mouth resuscitation now being taught in Red Cross First Aid courses.

(1) Mother, using middle finger of one hand, clears child's mouth of any foreign matter. With same finger, she holds the tongue forward.

(2) Mother places child in a face-down, head-down, position, and pats him firmly on the back with the free hand, to help dislodge any foreign object in the air passage.

(3) The child is placed on his back, and the mother, using middle fingers of both hands, lifts the lower jaw from beneath and behind so that it "juts out."

(4) With one hand only, the jaw is held in this jutting-out position.

(5) The mother, covering the child's mouth and nose with her mouth, breathes into the child with a smooth, steady action. The free hand applies continuous moderate pressure to the child's abdomen, between navel and ribs, to prevent the stomach from being filled with air.

Love & Diplomacy: Remembering her birthday, but not which one.

## Sheila Marten Graduates From Nursing School

Sheila Marten, R. 1, Mokena, was among the 55 nurses who graduated from the Little Company of Mary Hospital School of Nursing on July 27. Also receiving diplomas, were four students from Joliet.

## Janet Kitchen and Lawrence Peloso To Wed Sept. 14

Mrs. Alfred Kitchen of Houghton, Mich., announces the engagement and forthcoming marriage of her daughter Janet to Lawrence Peloso of Tinley Park. The wedding will take place Sept. 14 in St. George Catholic church, Tinley Park.

## For a Picnic . . . Roast of Lamb

All of a sudden, some one says "Let's have a picnic!"—with Sunday's dinner cooking in the electric roaster; rolled roast of lamb, scalloped potatoes, corn and tomato scallop! . . . Ah, but you can take it with you!

With the meat fully cooked in the still-hot roaster, wrap a blanket around it all to stow away in the trunk of the family car. It will taste so much better in the park!

### ROLLED ROAST OF LAMB

Ask your meat dealer to bone, roll, and tie for roasting a shoulder or leg of lamb. Find out the weight of the finished roast. To prepare, push slivers of garlic into deep slits cut in roast with sharp paring knife. Rub roast with cut lemon half. Sprinkle with salt and pepper.

Cook in electric roaster or oven of range at 325° F. about 25 minutes to the pound for "medium". Better still—use a roast meat thermometer. While 182° F. (well-done) is the suggested temperature marked on most thermometers, do try 170° F. for a flavorful, juicy meat with a delicate pink tinge. Follow roaster or range directions for cooking a complete meal with the lamb.

For a picnic, include a thermos bottle of barbecue sauce heated with some butter, and a package of round sandwich buns. Slip a generous slice of the roast lamb between bun halves, topping the lamb with the hot barbecue sauce! Ummm—what a Barbecued Lamb-wich!

# Plan Softball Tourney For World Title

## Will Begin Contest At Frankfort Aug. 8; Finals to be in Florida

An elimination softball tournament with the final winner playing in the World Championship game in Clearwater, Fla., and receiving \$1900 expense money, will start in the Frankfort ball diamond at 7:30 p.m. Thursday, Aug. 8.

The tournament is being sponsored by the Amateur Softball Association. The entry fee is \$25 and the team must consist of not more than 17 players. Games will be seven innings duration.

Winner of the Frankfort tournament, in which team from Frankfort, Matteson, Park Forest, Manhattan, Chicago Heights, Lansing, Naperville, Lemont and Joliet are entered, will receive a trophy and winner and runner-up will go to the Metropolitan tournament in Aurora, starting Aug. 16.

The winner of the Aurora tournament will receive \$150 to advance to the regional tournament, also at Aurora, starting over Labor Day weekend. Teams from Illinois, Indiana, Kentucky and Wisconsin will compete in this regional tournament.

The champions will play in the World Championship game to be held in Clearwater, Fla., and will receive \$1900 for expenses.

The Association is looking for more team entries. Any teams in the area which have not been contacted and desiring to enter, may do so by contacting Kenneth Oetter, Frankfort 3563.

A meeting of all team managers will be held at 1:30 p.m. Sunday, Aug. 4, in the Frankfort park. Any other teams wishing to participate must let their intentions be known by Sunday, Aug. 4.

## 10-year-old Hurls No-Hitter in Little League

Howard Wille, 10-year old pitcher for the Tinley Park Little League team, hurled the first no-hitter of the season last Sunday against the Cardinals. The score was 7-0.

The Tinley Park team is in first place with 13 wins and two losses.

Only six men reached base for the Cardinals, three of them in the first inning, when Willie walked three, but struck out the next three batters to relieve the side.

The young pro struck out a total of 12 men.

## Bob Tattersall Seeks Second Track Title

Bob Tattersall and George Sellery, who have made most of the headlines in the midget auto racing at Joliet Memorial Stadium this season, are expected to be back in the spotlight at the next race meeting Saturday night.

Tattersall, the Streator veteran with four feature race victories to his credit, and Sellery, Chicago ace who has won three, rank one-two in the track point standings. Tattersall is bidding for his second consecutive track championship.

However, the leaders are looking for trouble from another race veteran, Ken Rubright of Lydon, who won the track title back in 1953, the year racing was inaugurated at Memorial Stadium. Rubright has switched cars with Mike King of Evanston, taking over the new fuel-injection V-8 that looks as fast as any car at the track.

Among the drivers looking for first feature victories Saturday will be a pair from Lockport, Warren White and Ray Elliott; Bill Barnes, Bernie Wilhelm and Sonny Bessette of Joliet; Dominic Deellegrazie of Evanston, Johnny Riva, another former track champion, from Morton Grove, and Willie Wildhaber, of Lexington, Ill., who won the 50 lap feature last week.

Time trials Saturday start at 7:30 p.m., followed by the first race at 8:30 p.m. There will be four heat races, a handicap, 15 lap semifeature and 25 lap feature.

## Frankfort Fastball Team Loses to Park Forest Crew, 7 to 0

In a Wilco Fastball league game Sunday, Frankfort was blanked by Rose Construction, of Park Forest 7 to 0.

Jack Kratzberg, with three singles, was the only Frankfort player to hit safely.

Al Rose and Russ Parker led the Park Forest batting attack as well as sharing the shutout pitching. Parker batted in four runs with three singles, while Rose clouted a triple and two singles.

## Mokena Ruths Have High Hopes of Championship

The Mokena Babe Ruth baseball team is having a successful season, having won nine games and lost only two. They are one game away from a play-off berth, which will be against New Lenox, winners of the first half.

The Babe Ruth has a well-balanced team on the field and are strong on offense with hitters as Haehulein, Erickson, Semetis, Kruzich, and the Yunker brothers. The pitching has been handled by Haehulein, Erickson, and Lee Yunker.

The Little League has not fared to well because of lack of experience, says the managers. The team has won only one game all season. However, most of the losses were on very cloose games.

The 1957 season is coming to an end. During this latter part, support of fans has been lacking.

League officials invite Mokena fans to come out and watch the boys play ball during the last few remaining games, and root for the Babe Ruth team to bring home a championship.

## Mokena Youngsters Win Trophies in Water Ski Contest

Karen and Billy Anderson, of Mokena, won trophies for water skiing at Bass Lake, Ind., last weekend.

The youngsters, members of the Oppo Boat and Ski club, are adept at the sport.

Karen received a trophy as first place winner in the girls' slalom course and a second place trophy for girls' trick skiing.

Billy placed in a 3-way tie for first place trophy in the boys' slalom contest and came in second in the playoff. He also received third place trophy for the boys' jumping over the five foot jump contest and second place trophy for boys' trick skiing.

## Friends Fete Bettenhausen

Tony Bettenhausen Night, a special occasion to fete the Tinley Park veteran race driver, was held at Soldier Field, Chicago, last Saturday.

Bettenhausen recently turned in the fastest average on a closed track, traveling an average speed of 177 miles per hour, in the qualifying round for the Monza, Italy 500 mile classic.

He was forced out in the first heat of the race, however, when his car came out with a cracked frame and a broken sway bar.

Section 3. This Ordinance shall be in full force and effect from and after its passage, approval, signing and publication as provided by law.

Passed by the President and Board of Trustees of the Village of Tinley Park this 18th day of July A. D. 1957.

VICTOR C. PROPP, Village Clerk

This Ordinance was approved by me this 18th day of July A. D. 1957.

ELMER H. KNUDSEN, Village President

This Ordinance was duly published by me according to law this 31 day of July, 1957.

VICTOR C. PROPP, Village Clerk

NOTICE OF PUBLIC HEARING

Notice is hereby given by the Board of Education of School District No. 159 in the County of Will, State of Illinois, that a tentative budget for said school district for the fiscal year beginning July 1, 1957 will be on file and conveniently available to public inspection at the Mokena State Bank from and after 8:30 o'clock A.M. on the third day of August, 1957 at Mokena, Illinois in this School District.

Notice is further hereby given that a public hearing on said budget will be held at 8 o'clock P. M. on the tenth day of September, 1957 at the Carpenter Street School in Mokena in this school district 159.

Dated this 29th day of July, 1957.

Board of Education of School District No. 159 in the County of Will, State of Illinois.

By Lyman F. Teague, Sec. Aug. 1

Tinley Personals

Capt. George M. Klaus, 16902 Elm Lane drive is currently attending a two-week encampment at Fort Bragg, N. C., for training with the 322 Logistical command, Chicago area Army Ready Reserve unit.

The Faith circle of the Methodist WSCS will hold a bake sale August 9 at Vogt's store from 2 to 4 p.m.

Mr. and Mrs. Harold Breitbarth and family motored to Green Bay, Wis., last week-end and visited with the C. A. Smith family, former residents of Tinley Park. The Smiths are living directly on the bay and all enjoyed swimming and an outdoor supper of fish which the men-folks had caught while fishing.

The C. A. Smith's new address is P. O. Box 894, Green Bay, Wis.

Mr. and Mrs. Aura Godwin, daughter and granddaughter visited relatives in Perry, Iowa, last week. They report having had an enjoyable trip in spite of

weather conditions.

The P. L. Jochum family attended a family picnic at Cedar Lake last Saturday.

The Rev. and Mrs. E. H. Timmer of the Tucson Indiana mission, Tucson, Ariz., were house-guests of the Kenneth Triems last week. The Rev. Mr. Timmer was the speaker at the Sunday morning service of the Nazarene church.

William Wolf, airman apprentice, U. S. navy, son of Mr. and Mrs. Claude Wolf, is now on a cruise of the Western Pacific aboard the USS Bon Homme Richard and will visit port in Japan as well as Okinawa, Hong Kong and Subic Bay, Philippine Island.

Among those attending the picnic given by the Great Lakes Screw corporation at Shady Grove park, were Vloris Beals, James Foxalls, Glen Lewis and Charles McCutchens of Tinley Park, and the Cecil Hales of Mokena.

Mr. and Mrs. Harry VerWey are parents of a daughter born July 18 in Silver Cross hospital, Joliet, whom they have named Susan Rae. Susan's daddy is stationed on Okinawa at present. Mrs. VerWey is the former Joan Sippel.

Evelyn, daughter of Mr. and Mrs. Robert VanderMeer, spent an enjoyable vacation in Miami, Fla., making the trip by air.

The senior Harry VerWey family are vacationing in Hayward, Wis.

Cub Scout pack 253 met Saturday night at Tinley Creek woods. After a picnic supper the boys participated in a scavenger hunt. The winner was George "Buddy" Smith. He brought in seven out of a possible 10 items. He was presented with a belt kit as his prize.

The next meeting of the Tinley Park Archery club will be held at the Schatz farm, 15440 Oak Park avenue, Wednesday, Aug. 7 at 8 p. m. There will be shooting prior to the meeting.

Friends of 'Doc' Allen Cavett are happy to know that he is

improving nicely in his home. He returned Sunday from the hospital.

A group of young people from St. George Catholic church, called the Dragonnaires, held a picnic and swim party at Green Lake, last Wednesday. There was a good attendance and all had a fine time. The next meeting of the group will be held in the school house Wednesday, Aug. 7 at which time future club activities will be planned. Dancing with refreshments will follow the meeting.

Melvin Baer Chosen Soldier of the Month

Melvin Baer, son of Mr. and Mrs. Otto Baer, 179th and Sayre ave., Tinley Park, was recently chosen Soldier of the Month at New Cumberland General Depot, in Pennsylvania.

He is a specialist 3rd class, assistant admissions and dispositions clerk of the U. S. Army hospital.

This is the second time Baer has been chosen for this honor. He was awarded a government bond and also received a three day pass.

Files Suit to Prevent Son Selling Lot

(CNS)—An Alsip couple have filed suit to restrain their son from selling a lot on the southwest corner of 116th and Crawford avenue, Alsip, which the couple claim they own.

Theron J. and Irene Young, 11615 Komensky, Alsip, filed the superior court suit, thru their attorney, Leona Ware Cunningham, against their son Charles P. Young, 12407 Maple, Blue Island.

According to the suit, on Jan. 3, 1951, the Youngs agreed to buy the lot for \$1,500 from a Gerritt Vink. Title to the property was to be held in trust by their son Charles, the suit said.

Theron Young, the suit said, spent an additional \$1,500 on fill to raise the lot to street grade. He used the lot for parking cars in conjunction with Young's Service Station on the northwest corner of 116th street and Crawford avenue, Alsip, which Young has owned and operated since 1945.

Thru newspaper ads the Youngs learned their son was attempting to sell the parking lot, the suit said, thru Sabella Real Estate Company, 3145 W. 111th, Chicago. Upon investigation they learned their son had entered into an agreement with Floyd J. Sabella on Feb. 14, whereby Sabella was granted an option to buy the land within eight years for \$8,000.

The Youngs asked the court to turn the title to the property over to them.

Choose Head For Industrial Relations Center

Brig. Gen. Paul X. English, USA (Ret.), president of Lewis college, announced today that Joseph J. Garvey will serve as director of the new Lewis college Industrial Relations Center. The new center is a regional affiliate of the University of Chicago Industrial Relations Center and is the fifth regional center opened by the University of Chicago.

Garvey joined the administrative staff of Lewis college a year ago as public relations director. He was manager of WJOL for several years and was affiliated with Peterson Printing Craftsmen, Joliet, before going to Lewis College. He is a native of Hartford, Wis., and a graduate of Marquette university, Milwaukee, in 1940. He was associated with the DuPont Co., and with Globe Oil and Refining Co. in a technical capacity for six years after graduating from Marquette.

The new Industrial Relations office will be located at the Administration building at Lewis college. In addition to Will county, the new center will serve the Kankakee area and the Elgin and Aurora areas.

**AN OPPORTUNITY**—Jerome F. Dusek, Jr., son of Mr. and Mrs. Jerome F. Dusek, Sr., Maple Lane ave., New Lenox, Illinois, is among the 66 high-school graduates chosen by the state division of highways to take a special Engineering Technicians training course at the

Chicago undergraduate division of the University of Illinois.

Jerome (left) is being shown how to use the transit, the "king" of highway surveying instruments, by Fred W. Schroeder, assistant professor of general engineering at U. of I.

## It's the Beak That Makes the Bug, Says Mann

By ROBERT MANN

The name "bug", frequently and carelessly applied to insects in general, really belongs only to certain special kinds. A true bug differs from other insects in having a beak with which it pierces the skin and sucks the juices from plants or animals, a characteristic odor, and peculiar wings. Further, instead of having four stages in its life history—egg, larva, pupa and adult—it has only three. The tiny young, or "nymphs", resemble their parents as soon as hatched from the egg. The water bugs, stink bugs, squash bug, chinch bug, boxelder bug—and that hated blood-sucking parasite, the Bedbug—are true bugs.

Bedbugs have been closely associated with man ever since our ancestors lived in caves. The Greeks and the Romans were so well acquainted with them that they are mentioned in one of Aristophanes' plays and in Latin writings such as a Satire by Horace. Our scientific name for the bed bug, Cimex, was the Roman word for bug and apparently they used the loathsome pests in remedies for snakebites and certain diseases.

Bedbugs, unknown amongst the American Indians, were brought here by the early colonists. They quickly became widespread and plentiful. The common kind—which cannot survive in temperatures much greater than 100 degrees F, and goes into a sort of hibernation at about 50 degree F—has been distributed through out the temperate regions of the earth. In tropical and subtropical regions there is another species which has now become established in Florida.

The bedbug is reddish-brown in color. It has a flat oval body, about one-tenth inch long when adult, which enables it to creep thru narrow crevices to places where it hides, breeds, and from which it emerges at night to feast on the blood of some human. Like the chinch bug and most plant bugs, it has an offensive odor produced by stink glands which secrete an oily volatile liquid. Fortunately, it cannot fly: the wings have degenerated into little useless pads.

The bedbug's beak has two pairs of stylets: one pair with barbs for piercing and sawing the skin of its victim, and an inner pair which form two tubes. Thru one of these tubes it injects a saliva which prevents the blood from coagulating; thru the other it sucks that blood. As in the case of a mosquito bite it is the saliva which causes the bite to itch and become inflamed. Most people are very sensitive to bedbug bites but some seem to be immune,

just as some are not bothered by mosquitoes.

It has never been proven that bedbugs transmit any disease but, among people who are sensitive, they may produce nervous and digestive disorders. In infected areas, such as crowded unsanitary slums, it is often possible to pick out children from "buggy" homes by their pasty blotched faces and listless ways.

Bedbugs may be carried from place to place in peoples' clothing, bedding, mattresses and furniture. Also, they frequently migrate from an empty house to an occupied one nearby. They multiply rapidly and have few enemies: chiefly cockroaches, a little red ant, and certain spiders. Under favorable conditions a female bedbug may live more than a year and lay as many as 500 eggs which will be responsible for from one to four generations per year.

Prior to World War II, the most effective method of control was fumigation by an expert using a dangerously poisonous gas, hydrocyanic acid. The modern method employs scientific use of a DDT oil-based spray or, if the bugs develop a resistance to that, a lindane spray.

## Zoning Board, Commissioners In Trailer Row

(CNS)—The county zoning board has reprimanded the county board of commissioners for delaying all rezoning cases that may end up with trailer courts.

Holding no brief for or against trailer parks, the zoning board said:

"General deferment of all cases amounts to a violation of fundamental principle of Anglo-American jurisprudence which entitles a person to have a request for relief acted on, one way or the other, without unnecessary delay."

Fears were expressed that the delays might flood the courts with lawsuits against the county.

Commissioners, however, report they are acting in accordance with wishes of suburban home owners—many of them outraged to find a trailer court popping out almost overnight

next door without advance notice.

### Opposes 'Sneak Installations'

The county board says it wants to stamp out such "sneak" installations now, pending the possible adoption of zoning amendment designed to give the commissioners strict control over establishment of trailer parks.

The commissioners charge they and the county have been duped in some recent rezoning cases and they don't like it. They rezoned farmland on the basis of testimony that an applicant wanted the land classified an industrial district for such an enterprise or perhaps a business district for a store.

Later a trailer park goes up and it's legal. Present zoning regulations allow one in business and industrial districts.

### Wants It Plain

Proposed amendments, drafted by the firm of Harry Chaddick, who recently overhauled Chicago's zoning code, would put trailer parks in a "special use" category. This means an applicant would have to say he wanted a trailer park and win or lose the case on its merits.

Led by Commissioner John Mackler, the county board with one exception in recent weeks has deferred all applications for industrial and business rezoning until zoning amendments are adopted.

The exception, allowing establishment of a tavern in Northfield township, was permitted only because the state's attorney's office itself drafted and the owner accepted a covenant running with the land prohibiting a trailer park on it for 99 years.

### Call It "Cold War"

Other covenants aren't worth the paper they're written on, says Commissioner John Duffy. The zoning board disagreed

in its letter to the commissioners.

Validity of covenants has never been challenged and all have "worked out well" with one exception in 17 years, the zoning board contended.

It urged the commissioners drop their cold war of delay.

Said the zoning board: "Justice deferred is justice withheld and delay can be every bit as fatal as denial."

## U.S. Savings Bond Sales In Nation for June \$362-Million

Cook county residents purchased a total of \$17,218,099 in Series E and H United States Savings Bonds in the month of June. In the first six months of this year 44.9% of the annual quota for Cook county of \$254,427,000 has been reached. Sales in the County were only 6.2% less than those for June of last year.

Sales in Will county for June were \$504,482. Illinois sales for June, \$32,396,052 accounted for 8.9% of national sales which were \$362,305,000.

Illinois Institute of Technology has the only Air Force ROTC unit in the Chicago area.

### WHAT WERE UP AGAINST

"The military do have great virtues but thrift is not one." Thus spoke Senator Douglas of Illinois. He added that "The Military have a built-in bias against economizing."

The senator's remarks were made in support of a \$2.5 billion cut in the defense budget that had been recommended by the House and was up for consideration in the Senate. Senator Douglas certainly did not approve this cut because he wants to weaken our defense—he is as strong an advocate of a top quality military establishment as anyone in or out of the government. But he had carefully examined the proposed defense budget in detail, and had found a number of expensive items that have nothing to do with military security. He cited examples, among them swimming pools, buffet tables, and extensive remodeling of a golf course at one of the bases.

How did Senator Douglas make out? The Wall Street Journal answers that question in these words: "Well, the Senator built his case so strongly there's scarcely anything that can be added by us. One would naturally assume, too, that the other senators after all their talk about economy would agree with Mr. Douglas. And that they would have gone along with the House in the \$2.5 billion slash it had recommended in the military budget."

"But that just isn't the way the senatorial minds work. The Senate voted to restore almost all the \$2.5 billion slash. Plainly that will buy a lot of swimming pools, buffet tables and putting greens for the nation's warriors."

And that shows what the taxpayers of this country are up against, not only in the military but in all of the hundreds of spending departments of government.

### GOOD RIDDANCE

The house of representatives in the Congress has put the kibbosh on federal aid for schools, at least for this session, and we wish to congratulate those members who had the courage to stand up against the National Education Association, the starry-eyed bubble-heads and the big government bureaucrats who have been beating the drum for passage of the measure.

Defeat of the bill was labled by political observers as a kick in the pants for the Administration. It is true that President Eisenhower has been talking about the need of federal aid for school construction and has urged retention of same in the big, fat 72-billion dollar budget. And on that side of the street he is a loser.

On the other hand he is quoted by Cong. Ralph W. Gwinn, of New York, as telling him in a letter:

"—Unless we are careful, event the great and necessary educational processes in our country will become yet another vehicle by which the believers in paternalism, if not outright socialism, will gain still additional power for the Central government.

"If local communities do their job," Mr. Eisenhower is further quoted by Cong. Gwinn, "Then there will be no need for additional centralized revenues for nationwide subsidies of an essential local character, and we will avoid the pitfall of extreme centralization.

"Very frankly, I firmly believe that the army of persons who urge greater and greater

## Helen Eggers, 81, Former Resident of Mokena, Dies

Miss Helen Eggers, 81, a former resident of Mokena, was found dead in her home at 1356 Sterling av., Joliet, Wednesday noon. Not seeing her about for a day or so, her neighbor began to wonder and with her niece, who lives down stairs, forced their way into her apartment. She had been seated at the table eating lunch and evidently fell from her chair to the floor where she was found.

She was born in Manhattan township, Sept. 30, 1876, the daughter of the late Mr. and Mrs. Henry Eggers. After the family retired from farming at the death of Mr. Eggers, his wife and daughters, the Misses Helen and Minnie moved to Mokena where they lived for a number of years. After the death of their mother, the daughters moved to Joliet. Minnie Eggers died there several years ago.

Surviving is a brother, Herman of Joliet and many nieces and nephews.

Funeral services will be held Friday afternoon at 2 o'clock in the Blood and Grant funeral home in Joliet with the Rev. Mr. Gould, pastor of the Ridgewood Baptist church officiating. Burial will be in St. John's cemetery, Mokena.

## Attend Session Of Girl Scout Camp At Manistee, Mich.

Summer camp Manistee operated by the Girl Scout council is celebrating its tenth anniversary this week.

The camp is located in the Manistee National Forest, Montague, Mich.

The camp capacity has increased to 152 with two units of 16 girls and six units of 20 each. Over the years the camp has served 3,762 girls from all of south Cook county.

Attending the camp's third session this summer from Tinley Park and Mary DeFrancisco and Donna Marie Kolar.

centralization of authority and greater dependence upon the federal treasury are really more dangerous to our form of government than any external threat that can possibly be arrayed against us.

Based on the views thus expressed to Mr. Gwinn, the Administration could claim defeat of the National Education Association bill as a victory. Certainly it is a victory for those who hope to halt the trend toward an all powerful state.

Congressman Noah M. Mason—himself a former teacher—of the 15th district, of which Will county is a part, is to be congratulated for his constant opposition to the federal school aid bill and any other legislation that would usurp the rights of the states and individuals.

The federal school aid measure was a bad bill, from an economic as well as social point of view. It is a good thing for the country that it is beaten.

But those who oppose this type of legislation are warned to remain on guard. The school aid bill is beaten at this session of the Congress but its backers will be back at the next session plugging away for a measure that probably would place an event greater drain on the public purse than the \$8-billion target set up in the bill just beaten, and give the federal government more power over the actual conduct of the public school system than was included in the Kelly bill.

The Kelley bill, as the school aid bill was known, has been described as "the last word in a bureaucrat's prayer," but such a description underestimates the wiles and guiles of bureaucracy. There are many bureaucrats at Washington who are so skilled in legerdemain they can throw a seven with one dice. Just the thought of what those boys could do with a school aid law makes one shudder.

Don't ever give them a chance.

## Await Word From ICC on Plan to Eliminate Tolls in Heights Area

(CNS)—Illinois Bell Telephone company experienced smooth sailing in outlining plans to eliminate toll charges on calls between Chicago Heights, Monee, and Crete exchange areas and increase basis monthly rates "slightly." An unlimited number of calls could be placed for one rate.

No objectors appeared at Wednesday's public hearing before the Illinois commerce commission in Chicago and the case was taken under advisement.

Here's how the new rates, if approved, would affect local phone customers:

No rate change for Chicago Heights residential customers. The monthly charge of \$5 for a one-party line would stay the same.

Elimination of 10-cent toll charge for calls between Chicago Heights metropolitan exchange area and Monee and Crete. However, the toll charge for Monee and Crete subscribers would be eliminated for calls between their towns and only Chicago Heights in the Heights exchange system. The Chicago Heights metropolitan calling district includes Homewood, Lansing, Tinley Park, and Thornton.

### Difference in Rates

Here's the difference in monthly rates for Monee and Crete subscribers.

|                  | (a)    | (b)    |
|------------------|--------|--------|
| One-Party        | \$3.65 | \$4.75 |
| Two-party        | 3.00   | 4.10   |
| Four-party       | 2.65   | 3.50   |
| Rural            | 2.65   | 3.15   |

| Trunk lines      | 10.10  | 15.75  |

(a)—present; (b)—proposed  
Increases of about 2 cents a day are sought for business subscribers in the Chicago Heights exchange area.

The new plan, if permitted, could not go into effect until 1958, the company said, because new cables and switchboards would have to be installed.

The three exchanges handled 237,000 toll calls last year including 163,000 from Crete, and 37,000 each from Monee and Chicago Heights.

Show Increased Business  
Under the toll-free system the company anticipated half a million more calls will be placed between the three exchanges.

Experience in the Joliet-Plainfield area once toll charges were eliminated showed 300,000 calls bounded up to 1,100,000 yearly.

Monee now has 519 telephones, Crete has 1,279 and the Chicago Heights exchange 35,142.

A breakdown of the latter's area shows Chicago Heights with 20,991 telephones, Homewood with 6,441, Lansing 5,006; Thornton 494, and Tinley Park 2,210.

The increase in monthly rates will add about \$22,000 yearly to the utility's revenue. However giving up toll charges will reduce annual income by \$25,500 for a net loss of \$3,500.

Red ink isn't expected to last long, thanks to the areas' continued growth.

John N. Elliott, acting general rate engineer for Illinois Bell, said customers were canvassed before the case was filed with the ICC.

The canvass results showed 77 percent of the customers favored the new plan, 12 per cent were neutral and 10 per cent wanted no change, he said.

**WYATT EARP**—Hugh O'Brian and Nancy Gates have top roles in the action packed western, "The Brass Legend." The picture, which also stars Raymond Burr, is now playing at the Hill Top Drive-In theatre, through Saturday, Hugh O'Brian is better known as Wyatt Earp.

## Card of Thanks

It is with deep gratitude that  
we thank our neighbors and  
friends for their many acts of  
kindness shown to us during the  
illness and passing of our loved  
one.

Our heartfelt thanks are also  
extended to the doctors of the  
Hedges clinic and the Rev. Ben  
Day for their professional ser-  
vices and understanding.

THE FAMILY of the LATE  
J. W. PATTERSON, Frankfort.</

**OFF FOR PARADE**—This quintet represented the Mokena volunteer fire department in the parade at Worth last Saturday. The ancient pumper (circa 1929) is owned by the Mokena department but in no way represents it. This rig is for parade and exhibition purposes only. The men on the rear (l to r) are, Robert Rust, Roy Newton and Martin Medema. In front are Don Helenhouse and (behind the wheel) Walter Kopp. The truck's name is Betsy. (Marvin Smith Photo)

## MOKENA

Mokena 3521-4151

Mr. and Mrs. Herman Lorenz and sons are enjoying a vacation at Crystal Falls, Mich., fishing, swimming and boating.

Mr. and Mrs. George Rinke and daughters returned last Thursday from a three weeks motor trip to Ft. Morgan where they visited relatives. They also motored to Colorado Springs.

The members of the Sacred Heart league of St. Mary's church are sponsoring a trip to China town in Chicago, Aug. 14. Reservations for the trip must be made by Aug. 4 by calling Mrs. Arthur Marshall, Mokena 4691 or Mrs. Joseph Kestel, Frankfort 3418. The bus fare will be \$1.40.

Mr. and Mrs. William Steen honored his parents, Mr. and Mrs. Adolph Steen at dinner Sunday in honor of their 30th wedding anniversary. Guests were his mother, Mrs. A. F. M. Steen, Miss Edith Steen, Mr. and Mrs. Elmer Mueller and Mary Beth and Miss Dixie Leesman all of Chicago; also Mrs. G. G. Goldthwaite and son George of Boulder, Colo., Miss Wilma Stamer, Warren, Ariz.; William Higgins, Miss Carrie Higgins, LaPorte, Indiana; Mr. and Mrs. Peter Mancke and the Rev. Mrs. William Riemann, Mokena.

Mr. and Mrs. Roy Erdman had a happy day Tuesday when the brought their son, Niel home from the LaRabida hospital in Chicago. He was a patient there for 6½ months, suffering with rheumatic fever. He was 10 years old July 17, and is to take it slow.

Mr. and Mrs. Tom Hull and family who have been residents of Mokena for several years, moved last Friday to Sacramento, Calif., where they will stay for several weeks with her sister

and family while they locate a new home. Mr. and Mrs. Lyman Teague, Jr., moved into the vacated Hull home Saturday, which they have purchased.

A daughter, born to Mr. and Mrs. Roy Richardson, July 24 in Silver Cross hospital, has been named Cheryl Kathy. She weighed eight pounds four oz.

Mr. and Mrs. Carl Denlinger and family of Mt. Marion, N. Y., former Mokena residents, are spending a few weeks here, visiting with friends. They are staying in their home, occupied by Glen Miers.

Pfc. Elroy Erdman left Wednesday for his new location at Triax air force base at Madison, Wis.

Mr. and Mrs. Albert Cappel motored to Wisconsin last week and visited with her cousins, Mr. and Mrs. Fred Whitlark and family.

Airman 2-c and Mrs. Phillip Howell and son Curtis Ray have been visiting with his parents, Mr. and Mrs. Ralph Howell, Front st. They arrived here two weeks ago coming from camp at Barksdale, La. He will leave Monday on the first leg of his journey, being assigned for shipping to Madrid, Spain, where he will be stationed for 18 months as a teletype maintenance man with the air force. He wife and son expect to stay in Mokena during his absence.

Mr. and Mrs. Hugo Neithammer have been staying the past two week in Joliet with their grandchildren while their parents, Mr. and Mrs. Don Reiter are vacationing in Canada.

Mrs. Joe Bernardin, of Bernardin Plant House, Wolf road, received word late Tuesday nite of the sudden death of her mother, Mrs. B. W. Robinson. She and her husband were on a camping trip at Marquette, Mich., when she was sieged with a sudden fatal heart attach. Mr. and Mrs. Bernardin and family

left Wednesday morning for Grand Rapids, Mich., the home of her parents, where the funeral is to be held. The Plant House will be closed until Aug. 12 for vacation. A caretaker is at the house and plant house during their absence.

## LEGAL NOTICE

### VILLAGE of MOKENA, ILLINOIS

Advertisement for Bids  
SEWERAGE IMPROVEMENTS  
Sealed Proposals will be received by the Village of Mokena, Illinois for the installation of Sanitary Sewers, (Contract A) and the construction of a Sewage Treatment Plant, (Contract B) at the Village Hall until 8:00 P. M. (C.D.S.T.), August 22, 1957, at which place and time the bids will be publicly opened and read.

An approximate statement of the work to be done follows:

Contract A: Sanitary Sewer consisting of 32,400 lineal feet of vitrified clay pipe, with manholes and appurtenances; 900 lineal feet of force main; one railroad crossing.

Contract B: Construct a complete Sewage Treatment Plant, conventional trickling filter type, with vacuum filter sludge dewatering, with a nominal plant capacity of 350,000 g.p.d. Bidders may bid on either both Contracts. Plans and Specifications may be obtained from Robert E. Hamilton, Consulting Sanitary Engineer, 657 Whitley Ave., Joliet, Illinois. All bids must be submitted on the regular forms furnished.

Deposits of \$35.00 for Contract A Documents and \$25.00 for Contract B Documents will be required. For complete documents returned in good condition ten days after the opening of the bids, the full deposit will be returned to bonafide bidders and one-half to all others.

Each Proposal must be submitted with a certified check, bank draft, or bid bond in the amount of five percent (5%) of the bid.

The Village reserves the right to reject any or all bids and to waive any informalities in bidding.

ALVIN S. SORENSEN,  
Village Clerk  
Aug. 1.

## LINCOLN ESTATES

Patricia Guth, 10 year old daughter of Mr. and Mrs. Edward Guth, returned last Thursday from St. James hospital, Chicago Heights, where she was an observation patient. She is much improved.

### Editor's Note:

Mrs. Emil Wille of Lincoln Estates will serve this newspaper as its correspondent for the Lincoln Estates community. She will greatly appreciate and need the cooperation of all. Persons with news of parties, guests, social activities, including those of church groups, or other information of interest, are asked to call Mrs. Wille at Frankfort 3161. Lincoln Estates is a nice community and should be represented among the communities with news column.

## One-Fourth of Telephone Bill Goes for Taxes

By MAURICE SCOTT  
Executive Secretary Taxpayers Federation of Illinois

No matter what you buy—food, clothing shelter or whatever—part of the price you pay goes to support your governments, for no business is immune from taxes. The fact that 28c out of every dollar collected by Illinois Bell Telephone Co. from its customers in 1956 went for taxes should help taxpayers realize that government today costs them more than anything else they buy.

Where did the 28 tax portion of the customer's 1956 telephone dollar go? Here's the breakdown: To the Federal government went 20c—nearly all of this was in-

come and social security taxes imposed on the company and the excise tax imposed directly on telephone users but collected by the company and turned over to the government. To state and local governments went 8c. In addition to local personal property and real estate taxes, municipal taxes and fees, the company paid six Illinois and Indiana state taxes, the largest of which was the 3% Messages Tax levied on Illinois intra-state revenues.

Total taxes borne by Illinois Bell and its customers in 1956 amounted to \$128,645,000. This huge sum came from 16 different kinds of operating taxes which produced \$91,660,000, and from the Federal excise tax which raised \$36,985,000. Besides these 17 taxes there are unnumbered other taxes 'buried' in the cost of telephone service, but it would take an army of statistical experts to determine how many there are. Examples are the sales and excise taxes on things the company buys, or hidden taxes which suppliers of those items have to pay.

In effect, one-fourth of the total amount billed each customer over the 12 months' period in 1956 by the company was turned over to government.

No one questions the need for taxes, because without them we couldn't have good schools, police and fire protection, roads, and other things that help make our American way of life so worth while. But, at the same time it's well for the public to know how large a part of what they pay for goods and services goes to government—and telephone service is just one example.

**RAW SEWAGE**—makes its appearance in a ditch near the intersection of 167th st. and Ridgeland ave., Tinley Park. Frank Schneider (left), building inspector, and Robert Powers, superintendent of the water department, are investigating the situation. There are numerous place where the sewage may have come from,

it was said, and is a forcible reminder that Tinley is in need of a sewer system. The Village board is working to that end but before there can be a sewer system there must be a referendum for approval of bonds to build it.

(Marvin Smith Photo)

## John Patterson Funeral Rites Are Held Sunday

Last rites for John Patterson, 78, of Frankfort, who died last Friday, July 26, were held Sunday afternoon at 3 o'clock in the Hirsch chapel, Tinley Park, with the Rev. Ben F. Day, pastor of the Frankfort Methodist church, officiating. Burial was in Frankfort township.

A native of Verona, Tenn., he operated a grocery store there until 10 years ago when he retired and came to Frankfort.

Besides his widow, Margaret, Mr. Patterson is survived by three sons, Howard, of Greggton, Tex., Leonard and Hershal, both of Frankfort; three daughters Mrs. Mildred DeRackin, of Frankfort; Mrs. Hildred Duncan, of San Francisco, and Myrtle, Mrs. Kenneth Heusing, Frankfort; a brother, Thomas and a sister, Cora, both of Lewisburg, Tenn.; 10 grandchildren and seven great grandchildren. The Zechin funeral home was in charge of arrangements.

## Former Frankfort Resident Seriously Injured In Fall

Henry Elsner, formerly of Frankfort, now living in Chicago was seriously injured when he fell from a loading dock last Saturday.

He was taken to Jackson Park hospital, Chicago, and was still in a coma Monday as a result of the fall.

## 1st and 5th Grade Pupils at Frankfort Must Have Check-up

All children entering the first and fifth grades of the Frankfort public school must have dental and physical check-ups by Sept. 3, the first day of school.

The Frankfort school is served by the following faculty members: Viola Lankenau, principal; Leroy Olson, 8th grade; Russell Davenport, 7th grade; Irene Van Rhodin, sixth grade; Margaret Robertson, fifth grade; Charlotte Love, fourth grade; Virginia Osmus, third grade; Isabelle Harmering, first grade. Director of the band is Perry

## Gas Co. Gets O.K. to Service Air Conditioners

(CNS)—Illinois commerce commission has authorized Northern Illinois Gas company to service gas operated air conditioners on an experimental basis.

The purpose of the program is not to test such equipment, but to gain experience and knowledge in over-all service and maintenance problems.

The great majority of the company's customers use gas for home heating in winter and the firm is looking for summertime customers.

The ICC order reported that Northern Illinois Gas company expects new supplies of natural gas in time to meet the peak loads of the 1958-59 and 1959-60 winter heating seasons. This is expected to materially reduce the company's waiting list for gas service. However, it would also present the company with an economic problem.

The company buys gas in big volumes to get the lowest possible rate which is fine in winter when there is a big demand for it. The problem in summer is what to do with the extra gas.

The company told the ICC it must promote residential summer air conditioning units that also furnish gas heat in winter.

For its experiment, the gas company was authorized to first solicit 500 applicants now on its three types of waiting lists.

## Must Return State Books to Mokena Library Immediately

The state library books on loan to the Mokena library must be returned this week. A new shipment is on its way from Springfield to replace the current collection that has been in circulation here for the past six months.

Any borrowers who have state library books are requested to return them without fail to the Mokena library next Wednesday night.

The Mokena library is located on Front street, two doors west of Wannemacher's store. It is open every Wednesday night from 7:30 to 9:00. Any resident of the Mokena area is eligible to borrow books. Children are required to have a parent's signature to obtain a card.

Drilling and equipping a well at sea means spending eight or nine times as much as for a well on dry land.

Friedman. The choral group is under the direction of Tom Olson.

## Can't Buy Friends, Says Mason; Scores Dollar Diplomacy of U.S.

From July 1, 1940 to July 1, 1956 Uncle Sam handed out in foreign aid \$116,500,032,000 — money collected from the American taxpayers and given out to countries all over the world. Uncle Sam also underwrote The International Bank to the tune of \$635,000,000 and The International Fund to the tune of \$2,750,000,000. Our foreign aid program can be divided as follows:

|                                                           |                   |
|-----------------------------------------------------------|-------------------|
| (a) During World War II—<br>July 1, 1940 to June 30, 1945 |                   |
| Lend Lease                                                | \$ 46,728,287,000 |
| Grants-in-aid                                             | 1,400,010,000     |
| Credits                                                   | 1,096,000,000     |
| (b) After World War II—<br>July 1, 1945 to June 30, 1956  |                   |
| Grants-in-aid                                             | \$ 49,095,405,000 |
| Credits                                                   | 14,845,330,000    |
| (c) International Bank<br>and Fund                        |                   |
|                                                           | \$ 3,385,000,000  |

### TOTAL FOREIGN AID

\$116,550,032,000

No return for grants-in-aid is expected or required. Lend-lease aid has been written off, and all credit loans are in the doubtful category.

In spite of all this foreign aid generosity—with American taxpayers' money—we have fewer real friends in the world today than we had before World War II. One cannot buy real friends.

### OUR WHEAT AGREEMENT

Our International Wheat Agreement is an agreement to divide the world market for wheat among the five large wheat producing nations—United States, Canada, Australia, France, and Argentina—each to sell its quota of wheat at the world price. This means that for every bushel of wheat the United States sells on the world market below our domestic support price, the taxpayers of the United States picks up the tab—pays the difference between the world price and the domestic support price.

During the past five years (1952 - 1956) our International Wheat Agreement has cost the American taxpayers the enormous sum of \$292,897,633.54.

### SOIL BANK PROGRAM

The United States Department of Agriculture spent during eleven months of Fiscal 1957 (July 1, 1956 to June 1, 1957) a total of \$4,473,530,456 in so-called farm subsidies of which \$312,532,153 were spent on the Soil Bank Program.

In a speech on the Floor of the House of Representatives Congressman Stewart Udall (D-Arizona) said that one farmer in his district this year will receive a soil bank payment of \$209,701 for not cultivating his land. In addition to this one payment, other individual farmers in his district will receive the following amounts: \$204,000; \$96,706; \$82,500; \$78,650; \$71,500; \$64,000; \$60,885; \$59,925; and \$56,700.

Speaking further on soil bank payments, Mr. Udall said:

"If I could report that my constituent who is receiving \$209,701 for not planting his 1500 acres in cotton was sitting quietly on his back porch, perhaps a substantial reduction in cotton planting might have been effected by the soil bank program."

"However I am reliably informed that he has decided to use his soil bank payment to plant 4,500 acres of penalty cotton 150 miles away where he owns and operates a cotton gin."

If this farmer's example is followed by the other recipients of large soil bank payments, what are we accomplishing by paying out—at a cost to the American taxpayers—\$312,532,153 during the past 11 months?

## Municipalities Get Share of Sales Tax Collected in April

Disbursement of taxes paid by retailers on April sales has been made to cities and villages who have elected to take half a cent of the three cents collected by the state.

The total amount distributed to municipalities for July was \$4,171,306 of which almost \$2-million went to Chicago. Amounts received by the com-

munities in this area are as follows:

Tinley Park, \$2,081; New Lenox, \$1,114; Frankfort, \$752; Mokena, \$721; Orland Park, \$689; Park Forest, \$10,891; Evergreen Park, \$17,822; Lorkport, \$2,908; Markham, \$702; Blue Island, \$13,826; Chicago Heights, 22,624; and Joliet, \$50,255.

## Red Cross Seeks Volunteers For Water Program

Laughter is never a friend of the handicapped until he finds a means to diminish his obstacle. More than 200 handicapped persons in 1957 from the Greater Chicago area have found this means thru one of the five swim programs of the Chicago Chapter of the American Red Cross.

The program for the handicapped was inaugurated in September, 1946 at the Austin Town Hall. Since that date, it has grown rapidly under the guidance of the volunteer instructors who have helped thousands of the handicapped to rehabilitate their muscular powers. These volunteer instructors in conjunction with several of the Red Cross staff members, teach the tired and the twisted muscles to respond again to the normal demands of the person.

The American Red Cross has issued a call for volunteer instructors to help in the program. The doctors recommend water therapy whereby the different strokes can be adopted to the individual need. For many handicapped persons, swimming is the only type of physical recreation in which they can participate, and in which they can become as proficient as the non-handicapped.

The program covers all persons. In this year's program, the youngest handicapped person is one year old and the oldest is over 80 years old.

The five programs embrace the blind, the paraplegics, the mentally retarded, the muscular spastics, the deaf and those victims of polio, muscular dystrophy, multiple sclerosis, cerebral palsy and other diseases affecting the muscular coordination of the body.

The program started at Austin Town Hall where it has remained a strong point in communal activities. Two programs are conducted each Wednesday at Austin Town Hall pool. The blind and patients from the Veterans Administration, Hines, are taught swimming and water safety from 1 p.m. to 2 p.m. The second part of the program consists of two classes for outpatients from the entire Chicago area with one hour classes beginning at 2 p.m. and at 3 p.m.

### Mokena Man Helps

The volunteer instructors for the Austin Town Hall program are Mrs. Maurice Strahl, 360 S. Michigan Ave., Villa Park; Mrs. Ruth Francen, 102 N. Addison St., Bensenville; Mrs. Marie Godfrey, 4329 Douglas St., Downers Grove, and James Beal, R.R. 1, Mokena.

The program at the Elks club, 1925 W. Thome, ave., is conducted each Friday from 10 a.m. to 12 noon under the guidance of Mrs. Rose Johnson, 2814 Parkside, Chicago.

In connection with the Easter Seal Day camp program, the pools at Sherman Park and California Park are utilized for the water safety program. Mort Lazor, 3240 W. Sunnyside, Chicago, teaches at California Park Wednesday and Friday morning from 10:30 a.m. to 11:30 a.m. Mrs. Nancy Aronson, 403 E. Oak St., Chicago, instructs at Sherman Park where classes are offered from Monday to Friday from 11:30 a.m. to 12:30 p.m.

Tennessee Valley Authority is expected to spend \$65 million for coal in 1957 and another \$25 million for its transportation to TVA steam plants, according to an official of the Authority. TVA, biggest individual coal consumer in the nation, also is a leading user of inland waterways for getting coal to its plants.

## NEW LENOX

Delores Anderson  
Phone 3651

The Lincoln-Way High school band boosters will sponsor another ice cream social Thursday night, August 1 on the grounds in front of the high school, in conjunction with a band concert by the high school band.

Seventy Cub Scouts and their parents from New Lenox Pack 8, enjoyed a tour thru Stateville prison in Joliet, Tuesday evening July 23. The group met at the prison at 6:30 pm. for the tour, and places of interest inside the prison visited by the group were: a cell house, furniture factory, tailor shop, soap factory, TV and radio repair shop, chapel, theatre, dining room and bakery.

Dwight C. Davidson and Roger Pemble have returned from a two weeks vacation, fishing trip at English River, Ontario, Canada.

There will be a Cub Scout planning meeting Wednesday night, Aug. 7 at 7:30 pm. at the Lions den. The monthly Pack meeting will be held Aug. 22 at the VFW park, west of town. Boys will receive their badges at a special ceremony there.

The Rev. Humphrey C. Dixon, vicar of Grace Episcopal church and the associate advisors, Mrs. C. E. Dixon, Mr. and Mrs. Sam Carr, Tom Carr, Claudia Peterson, Ray Gobush and Wayne Gobush, all attended the Episcopal Young Churchmans club picnic of the Joliet area at St. Thomas Episcopal church in Morris Saturday. Following the special 11 o'clock Holy Communion service in the church the picnic and splash party was held in a private swimming pool near Gardner.

Eric Book and Tom Carr of the Order of Episcopal Lay Readers, read the 11 o'clock service at Grace Episcopal church Sunday. Mr. Book gave the address. Next Sunday, Aug. 4 Joseph Gougar and Tom Carr will read the 11 o'clock service and Mr. Gougar will give the address. The 7:30 a.m. Holy Communion service will be omitted.

The New Lenox Garden club will meet Thursday, August 1 at 1:30 at the home of Mrs. George Morrison with Mrs. Lloyd Berlin and Mrs. James Hope assisting. The program "Table Settings" will be given by Mrs. Walter Houchin, and the roll call will be "One Es-

sential for Good Table Setting."

The New Lenox Riding club met the evening of July 21, at the home of Mr. and Mrs. Don Warning. The meeting was followed by a hayrack ride and a barbecue supper. There were 16 members and one guest in attendance. Thursday night July 25 a committee meeting was held at the E. C. Olsen home making plans and arrangements for the Fourth annual Gymkhana show to be held in October.

Mr. and Mrs. Bernard Wilda and daughter Lynn have returned from Saugatuck, Mich., where they spent a few days with the Earl Schroeders. Miss Margaret Campbell who spent the weekend there with Dotte Jean Anderson returned home with them Sunday night.

Mr. and Mrs. Edward L. Walsh, Mr. and Mrs. Wilbur Walsh and son and Mr. and Mrs. Roy Minger and sons have returned from a vacation spent at Minong, Wis.

Don Alan Anderson is vacationing this week in Saugatuck,

Mich. with his grandparents, Mr. and Mrs. A. W. Walsh.

Mr. and Mrs. Arthur Reck-hemer, Prairie road, are parents of a daughter born July 29 in Silver Cross hospital.

St. Jude's Altar and Rosary society met in the church hall Tuesday night July 23 for their meeting. Plans for the dinner for the parish festival of Aug. 4 were discussed. The group decided to have a pot luck supper for their August meeting, the place to be decided later.

Fr. Denis, pastor, thanked the society for their contribution of \$1200 toward the sanctuary of the new church. After the meeting was adjourned, Mrs. O. V. Rowe gave an interesting talk on Plants—their use in Society.

Prizes were won by Dorothy Bogdan, Mabel Reiter, Ethel Fetzner, Anne Smith, Doris Krohn, Betty Miller, Rosemary Romeo and Leona Dickman.

Hostesses were Lillian Huttenhoff, Kathy Shields, Cele Riley and Cele Hasibar.

### Day of Recollection

If a young man or woman turns over an automobile or commits a crime, it means

headlines. Few will be interested but it is heartening to know that 50 young men and ladies made a day of recollection last Sunday in St. Jude's church, in New Lenox. The day was sponsored by St. Jude's Hi-Teens and conducted by Fr. Jason Kommer, O.F.M., of Chicago.

These young people spent the better part of their Sunday, from 10:30 am. to 3:00 pm. in serious reflection and prayer as they listened to the four conferences. The conferences dealt with the important truths of the faith and topics pertinent to young people's moral lives. In this brief pause from the motion and noise of a pleasure seeking world the young people strengthened their convictions and asked God's help in living up to their faith.

The Hi-Teen sponsors, Mrs. Wade Krohn and Miss Rose Mary Huttenhoff, assisted Mrs. Guy Wilsterman in preparing the lunch. Miss Marilyn Zusag, chairman of the spiritual committee, arranged for the day of recollection and played the organ. Ken Weber and Leroy Lachen arranged for the altar

THE NEWS-BULLETIN  
Mokena, Illinois  
Thu. Aug. 1, 1957 Sec. 2 Pg. 1

servers. John Huttenhoff did the spiritual reading during lunch.

There were several guests of the Hi Teens from Joliet, Manhattan and Mokena who also made the day of recollection.

The Hi Teens went to Nowel Park for a swim in the evening.

If you suspect mastitis in your dairy herd, call your veterinarian to help him start a herd control program.

## U. of I. to Recommend Alternate Sites for Branch in Cook County

University of Illinois Board of Trustees and University officials will make a recommendation "as soon as practicable" as to sites most suitable as alternates to Miller Meadow for location of the Chicago undergraduate division, President David D. Henry said this week.

His statement was contained in a letter to Rep. Paul J. Randolph of the 11th District in Chicago, which was made public. Rep. Randolph had written President Henry July 15 that "the people of Chicago demand definite and prompt action by the state university leadership in the development of a permanent campus for the Chicago-land undergraduate division, and in the very near future the awarding of appropriate degrees."

President Henry's reply said, "We regret that there has been so much division of opinion on the site question. The Board of Trustees and all university officers and groups who have studied the matter unanimously agree that Miller Meadow is the most economical to acquire and develop, and the most logical in terms of the educational requirements when one considers the requirements of the next 25 years and more."

### Miller Meadow Best

"The board of trustees still holds this opinion. However, in view of the failure to have a strong consensus in support of this position on the part of the several agencies involved as well as within the legislature, the committee on general policy of the board, acting as a special committee on this subject, with the officers of the university, already has initiated a review of several sites proposed."

"They will make a recommendation as soon as practicable as to sites most suitable as alternates to Miller Meadow, both in terms of meeting the educational requirements and of probable availability."

Simultaneously, President Henry's letter said, there will go forward a study of the areas of instruction which first should be expanded into four year programs leading to the awarding of appropriate degrees and when such expansion should be put into effect.

"The University of Illinois is proud of the record of its Chicago undergraduate division. The board of trustees has done everything possible within the resources provided, to encourage the further development of this program."

### \$600,000 Available for Land

"This objective has had a primary claim upon the board's interest and attention. With you, we now look forward to definite progress in the development of a permanent campus. We are glad to have your assurance that in this effort we shall have wide public cooperation and help."

The legislature included in the university's current biennial appropriation \$1,000,000 for land acquisition, building and site studies, plans and specifications

Of the total, \$600,000 is earmarked for acquisition of land.

"The sum," President Henry said, "will probably be insufficient for total land needed, but it will underwrite serious negotiation for a site and the acquisition of a portion of it for construction as soon as funds are available."

In the next two years, President Henry said, "a realistic program may be developed for the consideration of the Governor and the Legislature," since the University has now for the first time funds to make a start in acquiring a site and to make plans for use of the site.

## Vets Can Change Term Insurance By Acting Now

The American Legion urgently recommends that World War II and Korean War veterans now carrying government insurance on term plans to convert to some one of the standard types of government insurance now available at their earliest opportunity.

Less than five and one-half million veterans have kept their national service life insurance policies and of these, only a little over two million are being carried on the permanent plan, it was stated. The rest are still carrying term policies.

The term policy merely provides insurance protection for the least premium, but the standard types of policies do provide higher dividends, a cash surrender value, a loan value, and a reserve for extended insurance or paid up insurance. These added benefits are very valuable and the veteran carrying term policies should convert to the standard policy just as soon as possible, the Legion advises.

Lester R. Benston, director of rehabilitation urges veterans carrying term policies to consult the service officer of their local Legion post of the Veterans Administration Office, 2030 West Taylor Street, Chicago.

## 4-H Home Ec. and Agricultural Fair Opens Today

Mrs. Norman Krapp, of Manhattan, Will county 4-H chairman, and her committee are making last minute plans for the Will County Home Economics

4-H show to be held at the Peotone fair grounds today and tomorrow with the Agricultural 4-H show.

All home economic projects must be brought in by 9:30 a.m. today. Mrs. Harlow Nicholson, Elwood, will be in charge of clothing exhibits, Mrs. Merritt Cagwin, Lockport, will be in charge of foods exhibits and Mrs. Phil Goodwin, Wilmington, will take charge of the room improvement exhibits.

Starting at 10:30 a.m. today 21 girls enrolled in clothing conditions and several girls enrolled in flower arrangement projects will enter into competition for state fair by making four different arrangements.

Tomorrow 623 foods projects and 134 room improvement projects will be on exhibit. The 521 girls enrolled in clothing construction will model the garments they have made during the year. Following is the schedule for the dress revue:

9:30 a.m. Woolen garments  
10:10 Party dress and formals  
11:45 Sports and miscellaneous outfits  
1:00p.m. School dresses  
2:00 Church and street dresses  
3:30 Lounging wear  
3:40 Girls being considered for state fair will be called back. Twelve girls from Will county will model their garments at Illinois state fair and three garments will be sent on construction.

The 4-H Federation will have a food stand on the grounds both days. The public is invited to view the many fine exhibits and the dress revue at the 4-H county show.

## Laguna Woods

Mrs. Robert Anderson  
Fieldbrook 9-2857

### H.O. ASS'N ACTIVE IN LAGUNA WOODS

The Home Owners association met Tuesday evening, July 16 in the Orland Park grade school. Two of the important items discussed and acted upon were: (1) It was declared that from this year hence the Beautification committee would receive a certain amount of money from the Laguna Woods treasury to use for the beautification of the Woods and the upkeep of same. This year a new and rustic sign will mark the entrance to our community. The girls who have worked eagerly and voluntarily on this project were, Mrs. A. Karre and Mrs. J. Nelson.

(2) It was voted to have the roads oiled to alleviate the dust. This project was accomplished Monday morning.

It was also suggested that a picnic be held for all of the property and lot owners. A private ground is available to us. If you are interested please let Mr. Anderson or Mrs. Eckel know. Mrs. Karre had a good suggestion which came up after the meeting; to turn the picnic into a box lunch for the adults and have the pop and hot dogs for the children and the young people. If you please let us know, the picnic will be in September after vacation time for most families.

The hostesses at the last meeting were Mrs. M. McBride, Mrs. W. Murphy and Mrs. W. Eckel. Fruit punch and cookies were served.

Mr. and Mrs. Al Karre are the proud grandparents of Russell Williams, who was born Sunday, July 21 to their son George.

Mr. and Mrs. H. L. Woodbury were guests of her mother, Mrs. Tentesch Sunday, July 21 at a family gathering to celebrate the latter's birthday.

Several of the neighbors visited at Mrs. Karre's summer cottage in South Haven, July 27. The week-end group were her neighbors the H. L. Woodburys, the Robert Andersons, Mr. and Mrs. J. Nelson, whose daughter Janine spent a week at the cottage with Mrs. Karre and daughter's Debra and Julie. Mrs. Karre has been spending her vacations at the same resort for 18 years. Mrs. Woodbury also spent a

week at the Karre's cottage.

Mr. and Mrs. William Donohue and daughter, Nancy spent last Saturday with friends at their lakeside home. Mr. Donohue and his friends spent a busy morning of golfing while the ladies relaxed on the beach in the sunshine, and enjoyed the clean sands along Lake Michigan.

Many thanks to our neighbors who cared for our pets while we slumbered under the sun. The Hegyi family took care of the Woodbury's dog and Mrs. Robinson cared for Friskie on Saturday; Donohues took over on Sunday.

Have you heard about the brave fellows who slept on the sandy beach all night as ghosts walked? or the moonlight ducking in cold, dark Lake Michigan? That gal was a mighty good sport!

Have you noticed how many of the garage doors seem to be changing colors in the heat of the summer? Hegyi's overhead doors are a lite green, Andersons door are sky blue, Nelsons

bronze green and Woodies will be turquoise (if Mrs. W. will cease to mix up a batch of her left-over paints.)

Charles Harris left for the Foundation Center camp in Palos Park July 29, he will be away for two weeks.

The Robert Andersons entertained recently relatives of Mrs. Anderson of Mt. Sherman, Ark., and Houston, Texas.

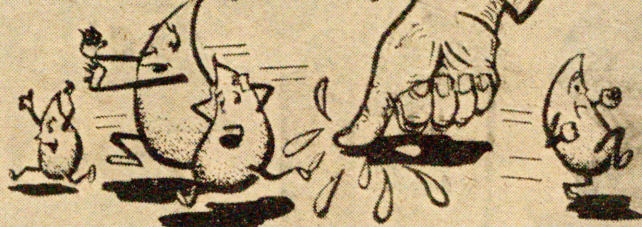

It seems there are two almost look-a-like dogs in the Woods. Mr. Hoshers dog which is spotted has been occasionally mistaken for Friskie, the Anderson's Dalmation.

Yours truly wasn't seeing how often she could travel over your freshly oiled roads Monday morning, but the schedule was pretty tight. The paper wasn't ready till 10:15 and had to be taken into Orland Park, Charles was due at camp at 11 and last but not least, Friskie had an appointment with the Vet in Palos due to an infection in the ear.

Height of the Rock of Gibraltar is almost 1,500 ft.

Huntington, W. Va., a leading inland waterway coal port, was one of six Ohio River ports to handle more than one million tons of water borne commerce in 1956. Putting too much nitrogen on late-planted corn may delay maturity of the crop and postpone ripening beyond the frost-free date, says an extension agronomist at the University of Illinois.

nothing gives your kitchen the modern look

like a modern electric range

and nothing cooks cleaner, cooks cooler, or cooks food faster!

so modern, so clean, so cool!

As an appliance dealer recently observed, "This is the electric age... electric servants are taking over in the home."

Typical of this trend is the change to the electric range. Women like their modern looks and appreciate surface units that keep pots and pans bright. And electric ovens hold the

heat more evenly because they are insulated on all 6 sides (not merely 5). Such refinements as automatic oven controls, radiant broiling, new super-speed surface units are easy to take, too. Equally important, you can be sure your new electric range will be modern for many years to come.

## Expect 200,000 to Watch Legion Parade at Chicago Saturday

Legionnaires from all sections of Illinois began converging on Chicago yesterday for the 39th state convention of the organization which opens today and runs thru Sunday.

Those in charge of arrangements anticipate the conclave will draw approximately 50,000 Legionnaires. The big day will be Sunday when a giant parade with some 10,000 participants is expected to draw some 200,000 Chicagoans and visitors as spectators.

In addition to the veterans the spectacle will include representations from the army, navy, marines and coast guard. Eleven hundred Legion posts in Illinois will be represented in the parade, and the sight of the massed colors of these posts in the procession is an unforgettable spectacle.

### Pageantry and Action

Floats, pageantry and music will add to the pleasure of the spectators. The parade is to pass south on Michigan avenue and the reviewing stand will be just south of Van Buren st. The brass in the reviewing stand will include Gov. Stratton and Chicago's Mayor Daley and a flock of high ranking members of the armed services.

Business sessions of the convention will be held in Orchestra Hall on Michigan avenue. At the Saturday morning session Paul Harvey, radio newsmen, author and lecturer whose fencescaling activity at Argonne Laboratory—one of Uncle Sam's hush-hush spots—several years ago brought him trouble and headlines, will be the speaker.

Competitions for bands and drill teams will be held Saturday. The winner in the band competition has been Harwood post, Joliet, for years and years.

## ORLAND PARK

Mrs. Sherman Knox  
Orland Park: Fieldbrook 9-0211

As a Reminder—the Orland Park Woman's club sponsors the sale of articles made at the Occupational Therapy shop, Oak Forest. Sale will start at 10 a. m. Saturday, August 3 at the home of Mrs. Karl Ekberg, the club president. Refreshments will be available. Every year the club has held such sales including rugs, aprons, stuffed toys, crochet work etc.

The cancer dressing group will meet Wednesday, Aug. 7 at 10 a. m. in Wesley hall. Bring a sandwich and hostesses will serve coffee and dessert. Mrs. Harry Pihl, is chairman of this project of the Orland Park Woman's club. Anyone interested is invited to join this group.

The George Thoms family has returned from an enjoyable vacation at Spooner Lake, Wis.

The Ellsworth Uthe and James Hebel families of Orland Park and the Paul Lucas family of Joliet spent a week at Lake Marie fishing and swimming.

Mr. and Mrs. Harry Heiting, son William and family, and Mr. and Mrs. Edward Cohr of Homewood have returned from a vacation spent at Bemidje,

Minn. They enjoyed fishing and swimming.

Mr. and Mrs. Harry Heiting had as Sunday dinner guests, a cousin, Mr. and Mrs. Gene Earlenbach and sons of Crown Point, Ind.

Mrs. James Creer, son Owen and grandchildren Carol and Owen, Jr. spent part of their vacation visiting with Arthur Creer who is stationed at Ft. Monmouth, N. J. They stopped at New York city, Philadelphia, Atlantic City board walk and thru Washington, D. C. They viewed many places of interest.

Mr. and Mrs. Joseph Krob Sr., daughter and son Melvin and friend travelled 2100 miles on a vacation trip thru Canada, Washington, D. C., Virginia, Ohio and other states along the line. They heard the Senate in session for a few minutes.

The Orland Park Men's bowling league are calling for bowlers. Those wishing to bowl this year in the league, which bowls at 9 pm. Friday nights at Lemont, please call Bill at FI 9-0072 or Fritz at FI 9-3192. Plenty of room.

Mrs. Karl Ekberg spent Sunday with her aunt and uncle, Mr. and Mrs. Joseph Carlson in Chicago. Her cousin Earland Carlson and wife were also guests. They all enjoyed dinner at the Villa Sweden on the north side. Earland attended teachers college at Colorado Springs and now has been assigned as Dean of North Park college, kedzie and Foster aves., Chicago.

Mrs. Edward Lavery who underwent surgery at Little Company of Mary hospital is home and convalescing nicely. Daughter Diane who has been a nurses aid the past two years at the hospital, will enter training in September there.

Mrs. Leonard Kay enjoyed a vacation trip with Mr. and Mrs. Walter Kay when they drove around Lake Michigan to Traverse City, Mackinac etc. She spent a few days with her daughter Lylas in Chicago, after her motor trip.

From the start of the International Farm Youth Exchange program in 1948 thru 1956, 753 delegates from the U. S. have lived with farm families aboard, and 843 farm youths from other countries have visited this country under the project.

## Grant Park Concert Season Is Nearing End

The Chicago Park District Grant Park concerts for the seventh week of the eight week season gets under way Wednesday, Aug. 7, with an interesting symphony concert by the Grant Park orchestra under the direction of Saul Caston. Mr. Caston, conductor of the Denver symphony orchestra, is one of four new directors selected to appear at the park concerts this season.

The Wednesday concert will feature Fritz Siegal, violinist and concertmaster of the Grant Park symphony orchestra, as soloist in the Khachaturian Concerto for Violin and Orchestra. Serpts from Act III of "Die Siegal has been concertmaster of the Grant Park orchestra since 1945 and each year has been a featured soloist.

Orchestral works on the Wednesday program include Glinka's overture to "Russlan and Ludmilla;" Classical Symphony by Prokofieff; Invitation to the Dance by Weber-Berlioz; excerpts from Act III of "Die Meistersinger" by Wagner; and Les Preludes by Liszt.

### Final Concert Aug. 18

There will be no concert on Friday night of this seventh week at Grant Park.

The Saturday and Sunday, Aug. 10 and 11 weekend feature concert, "An Evening with Offenbach," will be under the direction of Julius Rudel, director of the New York City Opera Company, who is well known to Grant Park audiences. Soloists will be nationally famous concert and opera stars Jon Crain, Sylvia Stahlman, Marilyn Cottle and Joshua Hecht, and an outstanding Chicagoland mezzo soprano, Rosemary Anoe. The program will include excerpts from "The Tales of Hoffmann," "La Perichole," and "Orpheus in the Underworld," as well as the overture to "La Belle Helene" and La Vie Parisienne.

Grant Park Concerts start at 8 pm and are presented free by the Chicago park district. The final concert will be given Sunday, Aug. 18.

A new study says that the cost of alcoholism to business and industry thru absenteeism and labor turnover is more than \$1 billion a year.

Some of the larger military jet aircraft consume as much as 2,500 gallons of petroleum fuel in one hour of operation.

The nation's automobiles consume almost 50 per cent of all the petroleum products produced by refineries.

## Across The Counter . . .

It's always a welcome season when Vacation Time rolls around. The whole family enjoys outdoor weekends and longer trips.

But getting away from home increases your need for insurance. For example, take the family automobile. Good driving weather results in more cars on the highways and more chance of accidents. So, check with us to see that you are adequately insured against those increased risks.

Taking a trip means leaving a house behind—empty and unguarded. Sure, you can stop milk and newspaper deliveries, but there are still many tip-offs to thieves that a house is vacant. And if a fire starts or the water system bursts, who will be around to stop it from getting a good start on real damage? Better cover these increased hazards with one of our "Homeowners" package protection policies.

Of course, vacation time means the use of cameras, outboard motors, sports and camping equipment and the like. These can all be covered in a Personal Articles Floater. And while we're at it, we'll check to see that you have adequate Personal Liability insurance to protect you from the potential lawsuits arising from increased outdoor activities.

Right NOW, before your vacation trips, make a note to check all your insurance requirements with us.

## Model Home Will be Shown At Farm Fair

"The Prairie Lady" is coming to life...on central Illinois prairie land.

"The Prairie Lady" is the model farm home that will be erected, furnished in every respect, and beautifully landscaped for the Prairie Farmer-WLS Farm Progress Show to be held on the Frank Simpson farm near Farmer City, September 25 and 26.

The "Lady" took shape (July 25-26) as workmen from the GBH-Way Homes, Incorporated, of Walnut, Illinois, moved on the Simpson farm to erect the home which was designed and built especially for the World's Fair of Agriculture. GBH-Way designers planned the home to show farm families the contemporary trends available in prefabricated housing. The extremely functional design allows for easy movement from one room to another and has large windows to take advantage of pleasant views available on rural homesites.

### Completely Furnished

Montgomery Ward and Company will completely outfit "The Prairie Lady" for her debut at the Farm Progress Show. Ward officials and designers are choosing furniture best fitted for the three bedroom home. Montgomery Ward also plans to display in retail stores thruout

Illinois room arrangements as they will be seen at the Farm Progress Show.

Interior and exterior decoration experts of Montgomery Ward and the University of Illinois are cooperating with Jeri, Home Editor of Prairie Farmer, in deciding on a color scheme that will blend with and compliment the Home-Way home and the furniture used in each particular room.

The "Lady" will be landscaped by the University of Illinois horticulture department. The university experts will plant a farm garden, seed the lawn, and lay out a driveway and parking area for the model farm home.

### An Annual Event

The completely furnished home will be the focal point for women visitors at the Farm Progress show, but there are many other outstanding features to keep the homemaker busy while her husband inspects crops and the latest in farming equipment. There will be a model kitchen, cooking demonstrations, and style shows

of garments to be modeled by women from DeWitt county.

There is no admission charge for the Farm Progress show, an annual event on a Midwestern farm. The exposition is sponsored by Prairie Farmer WLS in cooperation with the University of Illinois, other educational and civic groups, and the host, Frank Simpson.

## THE AMERICAN WAY

How Wrong Can a Collectivist Be?

## Business and Finance

### MAURICE P. ANGLAND

The steel industry is often misunderstood by the average investor. He is likely to assume that all steel makers are in about the same position as to the amount of business they are likely to get in any given period and that the percentage of capacity used at a given period, will be about the same.

Today steel is fabricated of particular end uses as cold rolled sheets for automobiles, refrigerators, etc.; structural steel shapes for heavy construction, oil and gas pipes for long distance transmissions etc.

A steel plant is a custom built affair with its equipment especially designed for the particular plant and its needs. It is therefore very expensive for a steel plant to create new capacity for particular needs. Plants vary greatly and with some, the only thing they have in common is the use of iron ore in their process.

### Long on Sheet Steel

Lone Star Steel of Texas is an example in that their pro-

duction is almost entirely in gas and oil transmission pipe for large lines. There is a very considerable shortage in such pipe production and somewhat of an over supply in sheet steel such as is used in automobiles, refrigerators, etc. Almost 15 per cent of the market for oil and gas transmission pipe is in the market area of Lone Star Steel. This company is alone in this type of production in its area. The company borrowed about \$150 million in 1951 from the government and had repaid about \$100 million by the end of 1956. Management of the company stated that it was loath to pay dividends on its common stock until the debt had been reduced further by a substantial amount. It was announced a few days ago that the common stock of this company will show earnings of slightly more than \$6 per common share and that dividends on the common stock will start in 1958. The common stock is not at present listed on any exchange and is selling at about \$44 per share. There is no debt other than the government loan and no preferred stock.

Jones & Laughlin Steel Corp. the nation's fourth largest integrated steel producer, has been aggressively modernizing its plant and equipment. The company is now reputed to have a "break even" point at about 50 percent of capacity.

This is most unusual in the steel industry.

Jones & Laughlin's ingot capacity for 1957 will be about 6.9 million tons and at the start of 1958 is expected to be about 7.8 million tons. The company will therefore show considerable capacity increase and a good deal of this increase will be in pipe and sheets.

In 1956 the company earned \$6.63 per share on its common stock and is estimating \$7.50 per share in 1957. If the company operates at 100 per cent of its increased capacity in 1958, the common stock per share earnings will be about \$10.80 per share. If the company operates at 80 per cent of capacity in 1958, the per share earnings will be about \$8.75 per share. The common stock is paying a dividend of \$2.50 annual dividend on its common stock at present which is about 4 per cent on the market price.

### Natl. Tea Declares Quarterly Dividend of 50 Cents a Share

H. V. McNamara, president, National Tea Co., today reported that the board of directors at its regular meeting on July 29, declared the third quarterly dividend for 1957 of 50 cents per share on the \$5 par value common shares payable Sept. 1 to all shares on record as of Aug. 14, 1957.

This compares with a 50c dividend paid on common shares for the third quarter of 1956 and brings to a total of 52, the number of consecutive regular dividends paid on the company's common since the last quarter of 1944.

## HOMER

Lockport, R. 1  
Telephone Lockport 887W

At their picnic meeting Thursday, the Missionary society made plans for a cafeteria supper which will be held at the church Aug. 22. Save the date. Tickets will be available from various persons. The chairman is Mrs. Charles Jensen. The group voted to send \$25 to Mission projects and to send a box of gifts to Miss Meebold's school in the Micronesian Islands, donations for this package should be given to Mrs. Wrey White very soon in order to reach Miss Meebold by Christmas. They should be suitable gifts for school age girls.

Mrs. Robert Shepherd Sr. attended the miscellaneous shower at the Arthur Shepherd home in Lockport twp. last Sunday afternoon in honor of Miss Marjorie Mathers of Lockport, who will marry William Honig Aug. 4. Miss Mathers is a sister of Mrs. Shepherd.

Mr. and Mrs. Charles Jensen returned Wednesday evening from a few days' vacation spent with relatives near Rockford.

Mr. and Mrs. William Springer and children of Florida arrived Thursday morning at the home of her parents, Mr. and Mrs. John Loucks.

Mr. and Mrs. Randall Storm, Mrs. F. J. Paddock, Mrs. J. J. Paddock and Jerry spent Tuesday in Naperville as guests of Mr. and Mrs. John Loeffler. Other visitors in the home are Mr. and Mrs. John Loeffler, Jr. and children of New York. On Thursday, the Loeffler family called at the Storm home here. Mrs. Loeffler, Sr. is a sister of Mrs. Storm and Mrs. F. J. Paddock.

The Bruce Andersons visited near Bassett, Wis. Tuesday with the George Bovee family, formerly of Manhattan.

Doug Carlson attended a Presbyterian camp at Druze Lake during the past week.

Lana Carlson spent a few days in Downers Grove with the Vancil family and Jane Vancil visited the Carlsons.

Erwin Lynk of Maple road is recovering from a recent illness. Mrs. Lita Haley of Chicago is spending the summer with her mother, Mrs. Harry Reed. Mrs. Louis Habenicht and family have returned from a trip to California.

Mrs. Louis Greewald, Bruce road, was hostess at a theater party Friday afternoon when she accompanied a group of young neighbors to Joliet to see the Delicate Delinquent at the Rialto. Included in the group were the Greewald house guest James Mohny of Harvey, William and Bonnie Greewald, Faye Anderson, Dean Anderson Gregg Carlson and Jane Vancil. Virginia McCullough of New Lenox spent the weekend with Faye Anderson.

There will be a meeting of the Pilgrim Fellowship in the John Hollister home Sunday evening, Aug. 4.

The Michael Ott family reun-

ion will be held at Dellwood Park Sunday, Aug. 11 beginning with picnic dinner at noon. Mr. and Mrs. Bruce Anderson will act as chairmen of the day, taking the place of Mr. and Mrs. Owen Storm who were chairman, but are unable because of illness.

Bobby Michalik of Lemont who is vacationing at the Barney Welter home fell from a load of hay last Friday, injuring his head so that 27 stitches were necessary to repair the damage, when he was taken to St. Joseph's hospital. Bobby is 10 years old and is a nephew of Mrs. Welter.

Mr. and Mrs. Lawrence Welter of Lockport and Mr. and Mrs. John Welter of here have returned from a month's auto trip through the west.

Ruth Ann, Carol and Betty Lou Welter, daughters of the Barney Welters, entrained Thursday for Great Falls, Mont. where they will visit their sister, Mr. and Mrs. Lawrence Pankow.

A delegation from Homer church will go to Berwyn Aug. 11 to hear a minister who is a candidate for a pastor's position.

## MARLEY

Mrs. Virginia Sass  
New Lenox 3133

Mr. and Mrs. John Leffler of Baltimore, Md. and their children Grace and Gregory, were guests in the Randall Storm home last Thursday. They were accompanied by his parents, Mr. and Mrs. Earl Leffler of Naperville. Mrs. Earl Leffler is a sister of Mrs. Storm.

Mr. and Mrs. Clarence Troutman returned Saturday from a motor trip through the Black Hills to Yellowstone National park.

Laura Sue Peterson of Melrose Park is spending this week with her cousin Verda Jo Sass.

Mr. and Mrs. Charles Sass and family entertained at a party in their home Friday night honoring the birthdays of Mrs. Louis Sass and Kenneth Lauffer. The evening was spent informally and refreshments were served buffet style from a table centered with two birthday cakes. Other guests were Mr. and Mrs. Norman Armstrong of Joliet, Miss Caroline Tilsy, Miss Helen Tilsy, Mr. and Mrs. Fred Lauffer, Louis Sass, Mr. and Mrs. Daniel Sass and Mr. and Mrs. Loren Sass and daughters Cheryl and Verda Jo.

Mrs. Robert Sproat attended the funeral of her uncle, John Graening, at Elgin Thursday.

EXPERT WORKMANSHIP

FROM BASEMENT TO ATTIC...  
WELDWOOD WALL PANELS WORK  
WONDERS IN YOUR HOME!

Have you ever thought what wood-paneled walls can do for your home? Each room can take on a new, beautiful, band-box look. Even an old attic that you don't use can become a glamorous guest room when you install Weldwood Plywood Panels on the walls.

Weldwood Panels are popular-priced; easy to install; and guaranteed for the

life of your home. No cracked walls or costly repainting! In addition, Weldwood's neutral shades will always blend with any color scheme you choose.

Now is a good time to start your friendship with Weldwood Plywood by installing it in one important room. Samples, prices and delivery information are yours for the asking.

We feature genuine  
Weldwood Plywood  
with this trade-  
mark on the back  
of every panel

AND THEN THERE WAS NONE... Dale Saathoff of Gilman, Illinois, a member of the newly formed all-Illinois Navy recruit company, undergoes one of the first steps in becoming a bluejacket. No hair. The Illinois Company will honor their State during the week of May 27-June 2, when they become the first to graduate during the summer-long Great Lakes Navy Homecoming.

## War Widows Can Get Additional Compensation

There are approximately 24,000 widows of veterans who died in service or from service connected disabilities who have not yet indicated their choice of monthly benefits to which they are now entitled.

These widows are currently receiving death compensation from the Veterans Administration under the provisions of the old law. Effective Jan. 1, 1957, under a new law, these widows were entitled to an increased rate of compensation but they must elect to receive the new benefit before the Veterans Administration can grant it to them. They had until July 1, 1957 to make the election in order to be entitled to retroactive payment to Jan. For those who did not make the election before July 1, the increased compensation will be effective only as of the date of election. Lester R. Benston, director of

Rehabilitation for the American Legion urges these widows to consult the Service Officer of their local Legion Post or the closest office of the Veterans Administration.

## CHRISTIAN SCIENCE CHURCHES

How the understanding of  
God's inexhaustible goodness en-  
ables man to meet everyday  
needs will be brought out at  
Christian Science services Sun-  
day, August 4, in the Lesson-  
Sermon on "Love."

Scriptural selections will in-  
clude the following from Ezekiel  
(34:11,14): "For thus saith the  
Lord God; Behold, I, even I,  
will both search my sheep, and  
seek them out. . . I will feed  
them in a good pasture, and up-  
on the high mountains of Israel  
shall their fold be: there shall  
they lie in a good fold, and in  
a fat pasture shall they feed  
upon the mountains of Israel."

Correlative passages to be  
read from "Science and Health  
with Key to the Scriptures" by  
Mary Baker Eddy include the  
following (494:10): "Divine Love  
always has met and always will  
meet every human need. It is not  
well to imagine that Jesus dem-  
onstrated the divine power to  
heal only for a select number  
or for a limited period of time,  
since to all mankind and in  
every hour, divine Love sup-  
plies all good."

For Thou, O Lord, hast not  
forsaken those who seek  
Thee.—(Psalm 9, 10.)

Most happy and blessed is  
he who, early in life, has ex-  
perienced a real demon-  
stration of God's love and mercy,  
through devotion and prayer  
—and who then, having  
sought and found Our Heav-  
enly Father, never for an in-  
stant thereafter departs from  
Him and His goodness all the  
years of his being... Too few  
of us, unhappily, seek God and  
His grace until our course is  
almost run.

Dr. Charles W. Hoffman,  
president of the Will County  
Tuberculosis association said in  
an interview this week that the  
county association, as well as  
the state tuberculosis associa-  
tion owed a vote of thanks to  
Gov. William G. Stratton and  
the Illinois legislatures for their  
efforts in behalf of state wide  
tuberculosis control. Of eleven  
bills concerning tuberculosis,  
presented during the last ses-  
sion of the state legislature,  
just adjourned, eight received  
support of both houses and of  
the governor. (One was defeated  
in the senate, one was defeated  
in the house, and one was par-  
tially vetoed by Stratton.) Dr.  
Hoffman, speaking for the as-  
sociation stated that obtaining  
passage of eight out of eleven

bills is a noteworthy achieve-  
ment.

A vote of thanks should also  
go to the legislative commit-  
tee of the Illinois Tuberculosis  
association, Dr. Hoffman said,  
for its work in formulating  
some of the above mentioned  
bills and getting them introduc-  
ed to the legislature by mem-  
bers of that body sympathetic  
to the tuberculosis cause.

House Bill No. 29 sponsored  
by Bottino and Loughran vali-  
dates elections in relation to  
tax levies by counties for care  
and treatment of persons af-  
flicted by tuberculosis, notwith-  
standing that the ballots used  
at such elections were not  
printed on plain white paper.  
House Bill 601 sponsored by De  
LaCour and others increased  
the Chicago peg levy for the  
Municipal Tuberculosis Sani-  
torium from \$5,500,000 to  
\$7,500,000. House Bill 1060 spon-  
sored by DeLaCour provides  
for an emergency deficiency ap-  
propriation of \$1,900,000 for  
state subsidy for the care and  
treatment of tuberculosis pa-  
tients affecting 13 counties in  
Illinois.

Senate Bill 84 sponsored by  
McBroom, Bidwell and Drach  
makes an appropriation of  
\$102,280 to the University of  
Illinois for expenses incident  
of the operation of the Institu-  
tion for Tuberculosis Research.

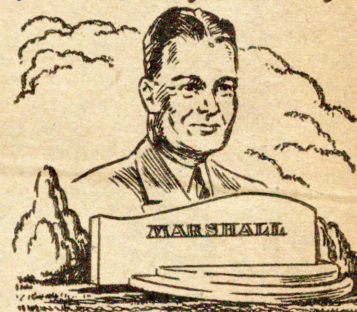

Senate Bills 207 and 208 spon-  
sored by Drach and Korshak  
provide for the use of vacant  
beds in county tuberculosis san-  
atorium for chronic and conval-  
escent patients, space permitting  
and to rent out their facilities  
to other agencies or organiza-  
tions.

Senate bills 419, 420 and 421  
sponsored by Dolezal and others  
amends the Glackin law to pro-  
vide security facilities. Senate  
Bill 701 sponsored by Drach  
amends the Glackin Law to pro-  
vide one ballot for excess tax  
authority and tuberculosis care  
and treatment tax laws.

**Stratton Vetoes Money Increase**  
House Bill 600 increasing the  
state tuberculosis subsidy per  
patient from \$4. to \$6. per day  
was defeated in the senate.  
House Bill 943 sponsored by  
Austin, Stephenson, and Pollack  
to amend the excess tax law to  
provide for a "Yes" and "No"  
ballot was killed in committee  
on a technicality.

Senate Bill 508 sponsored by  
McBroom, Bidwell, Peters and  
Drach, an appropriation bill for  
the Illinois department of pub-  
lic health for tuberculosis sub-  
sidy. This bill was amended in  
committee increasing the tu-  
berculosis subsidy for the next  
biennium from \$3,800,000 to  
\$6,000,000. After passing the  
senate, the bill was amended in  
the house making the increase  
a line item. Gov. Stratton sign-  
ed the bill but vetoed the line  
item increasing the appropria-  
tion so that the TB subsidy  
appropriation for the next bi-  
ennium remains at \$3,800,000.

## An Enduring Memory

From An Enduring  
**MONUMENT.**

It is more important than ever  
nowadays to perpetuate the  
memory of loved ones in some  
lasting form. Not only in an  
endearing tribute . . . but an  
enduring one as well.

We have a large variety of fine  
quality monuments, large and  
small, to adequately fit any need  
... and will be glad to assist you  
in your selection.

## Diplomacy is Key to Successful Career as Back Seat Driver

"Watch out—you'll kill us all driving like that," said the wife in the back seat clutching the children to her side.

"Oh, shut-up," said the husband as he gripped the steering wheel tighter and pressed the gas pedal closer to the floor.

Just such tableaux are enacted each day as families spin along the nation's highways with "back seat" riders lashing the horseless carriage driven with unkind remarks, according to the American Mutual Liability Insurance Company's Institute for Safer Living.

But the 'back seat driver' instead of being a thorn in the operator's back, needling him with caustic comment, can be a valuable co-pilot according to an Institute survey.

Six-hundred couples across the nation were interviewed on their spouses' 'back seat driving' techniques.

### Advices Buttering-Up

Advice from wife to husband beginning with "honey" was much better received than the same suggestion prefaced by "Look, Buster," the survey showed.

If the advice was given sympathetically and wisely it could be a great force for automotive safety, the couples agreed.

In a total of 2,740 emergency "calls" remembered by the drivers as coming from the "back seat" nearly a thousand of these helped avoid accidents or traffic violations.

When men are in the back seat they not only call the attention of their wives to oncoming danger but also tell them how to handle the situation. Women, the Institute survey shows, seem willing to let hubby handle the situation after calling his attention to the trouble.

But if either spouse was thought to be trying to get even for the morning's burnt toast rather than trying to help the driver the "suggestion" usually wasn't accepted.

### Speed Top Topic

The survey uncovered these

leading "alerts" given most frequently by "back seat drivers."

Speed was the most common cause of comment. Indication of the value of this comment comes from the fact that the suggestion was taken favorably twice as often by both sexes as it was rejected. But tact was necessary or it was usually ignored.

The second most frequently made comment was on following the car ahead too closely. But the warning "Don't crawl up his back" hardly helps matters. When the suggestion was made diplomatically to a spouse it was considered favorably forty per cent of the time—helping to avoid a pile up of cars on the highway.

One of the best accepted suggestions of all, the survey showed, was a comment about a driver's tiredness.

Here again the "Honey, you've had a hard day" approach was much better than "Hey, dopey wake up."

Comments on the operator "taking chances" was accepted by both sexes about fifty per-

cent of the time.

### Oil is Best

As this type of suggestion implies a direct criticism of the driver's skill and judgment—most preferred, not to be questioned on it by the "back seat driver."

Here again more favorable response was obtained by the "fifth column" than the "blitzkrieg" approach.

Arthur S. Johnson, Director of the Institute, believes all of these back seat comments are good because they follow the principle that four eyes and four ears are better than two.

Mr. Johnson stated that if 'back seat drivers' will remove the 'sting' from their tongues and substitute courteous, warnings or suggestions, they will

help cut the accident toll on the highways and becoming valuable co-pilots.

### THE NEWS-BULLETIN

Mokena, Illinois  
Thurs. Aug. 1, 1957 Sec. 2 Pg. 11

In some remodeling planning, turning the present kitchen into a bedroom and adding a new kitchen will improve the overall farmhouse arrangement more than tacking on a new bedroom.

In 1956 there were 18 new deep coal mines either opened or placed in development with a total planned daily capacity of more than 47,000.

More farmers lose their lives from accidents during haying than during the harvesting of any other crop.

Electric utilities in January set a new all-time record for use of coal to generate power. The coal burn for the month was 15,975,551 tons.

# Summer, A Time For Work And Relaxation

**READY FOR ROOF**—the new addition at Carl Sandburg high school is progressing at a normal pace and a portion of it will be ready in time for use when school opens in September. One can see from this picture that the steel is in place and it won't be too long before it is closed in. Scenic isn't it, with those trees in the background? (Marvin Smith Photo)

**BEGIN WORK ON FOOTBALL FIELD**—The contract for building a new football field and outdoor track at Carl Sandburg high has been let and work on the excavating and grading probably will be completed in another week.

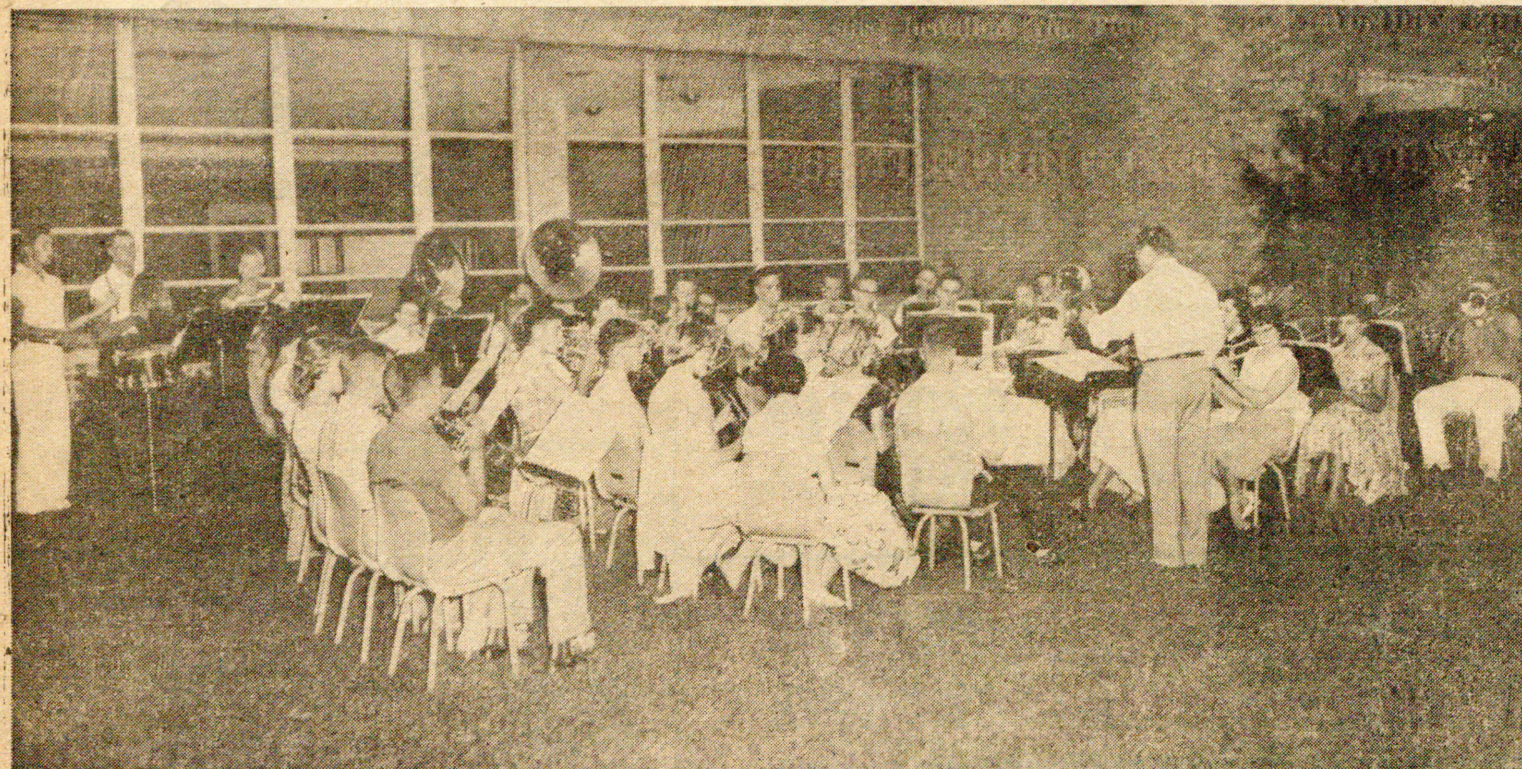

The track will be a quarter of a mile in length; oval in shape and will encompass the grid-iron. The field and track will not be ready for use this year. (Marvin Smith Photo)

**WORK IS NEVER DONE—FOR BAND PARENTS**—Band Parents are forever in need of funds for uniforms, instruments and the hundred and one other things that school bands need, so while the Lincoln-Way high school band is giving open air concerts on the school lawn the Band Parents are selling ice cream, coffee, pie, sandwiches and pop to the spectators. It's a good deal for the Band-Parents and a good deal for the spectators. (Marvin Smith Photo)

**A BULLSEYE!**—A number of husky men had just retired after failing to "break the record" at a ball throw at the New Lenox Lions club carnival last Friday night when up stepped 5-year-old Johnny Minger and took three ball but he only needed one—the first one. Not tall enough to see over the counter, Johnny climbed up to get a look, then dropped back and let go with his fast, high one. And c-r-r-rack! The ball caught the record smack in the middle and Johnny went home with a prize. The carnival drew well and the Lions plan to use the receipts to aid floor victims. (Marvin Smith Photo)

**A CONCERT UNDER THE STARS**—The Lincoln-Way high school band, under the direction of Director Robert C. Taylor, gave the first of three outdoor concerts last Thursday night on the lawn in front of the school on U. S. 30, near New Lenox. The second of the series will be given this Thursday and the concluding program is scheduled for next Thursday, Aug. 8. The public is welcome and there is no admission charge. Director Taylor has chosen a variety of pieces for the programs so that the musical tastes of everyone should be satisfied. There are chairs on the lawn for those who wish them but if one prefers to remain in his

car that is what he can do. It is very pleasant to be out in the open these warm nights and the concerts are expected to be quite popular. The concert last week drew a good crowd and the one tonight and that of next week are expected to do likewise. Director Taylor has about 40 members of the band available for the summer concerts. When school opens in September he will have a 72-piece band. These evenings, however, are too warm for uniforms and so the boys and girls who make the music have an opportunity to relax and be comfortable too. (Marvin Smith photo)

**A FIG FOR EMILY**—The advice of Emily Post concerning the use of spoons is all right—at times, but there are times, when it's hot and one is young that more direct action is indicated. It is frequently pointed out at picnics that fingers were made before forks and certainly mouths ante-date spoons. The young lady here, Kathy, 4 year-old daughter of Band Director and Mrs. Robert C. Taylor, is really enjoying a portion of ice cream while the band plays on, and while she isn't thinking about what Miss Post might say on her direct approach to the refreshments she is keeping a wary eye on her mother who happened to be talking with someone and looking the other way when this picture was taken. (Marvin Smith Photo)

Assessment Roll For  
1957  
New Lenox  
Township

REAL ESTATE

The following is a list of Personal Property Assessments in full for the year 1957 and a list of Real Estate properties for which assessments have been added or changed since the last preceding assessment as made by the Township Assessor of New Lenox Township, Will County, Illinois, and as returned to and completed by Floyd H. Krapf, County Treasurer, ex-officio Supervisor of Assessments.

The assessed values herein shown are subject to revision by the Board of Review and to equalization by the Department of Revenue. Section 146 of the Revenue Act, 1939, provides that the Department shall lower or raise the total assessed value of property in any County so that such property will be assessed at its full, fair, cash value.

This publication (made in ac-  
cordance with Section 103 of  
the Revenue Act, 1939) serves  
as a public notice to the tax-  
payers of Will County, of the  
assessed values fixed upon  
their property by the Town-  
ship Assessors of the various  
townships.  
Taxpayers who consider their  
property incorrectly assessed  
may appear before the Board  
of Review ON OR BEFORE  
AUGUST 16, 1957, and file a  
complaint in writing according  
to Section 108 of the Revenue  
Act of 1939.  
FLOYD H. KRAPF  
County Treasurer of Will  
County ex-officio Supervisor  
of Assessments

### Assessment Roll For 1957 For Frankfort Township

The following is a list of Personal Property Assessments in full for the year 1957 and a list of Real Estate properties for which assessments have been added or changed since the last preceding assessment was made by the Township Assessor of Frankfort Township, Will County, Illinois, and as returned to and completed by Floyd H. Krapf, County Treasurer, ex-officio Supervisor of Assessments.  
The assessed values herein shown are subject to revision by the Board of Review and to equalization by the Department of Revenue. Section 146 of the Revenue Act, 1939, provides that the Department shall lower or raise the total assessed value of property in any County so that such property will be assessed at it full, fair, cash value.

 County Treasurer of Will  
 County ex-officio Supervisor of Assessments

**EDDIE the EDUCATOR**  
 says

Illinois has broken another record for baby births. More than 222,000 for 1955. Will they have teachers and classrooms when they are ready for school in 1960?

## GREEN GARDEN

Mrs. Katharine Heisner  
 Frankfort 5187

The Bettenhausen reunion will be held August 11 at the Van Horne woods. There will be a potluck dinner at noon.

The Family Life Circles annual family picnic was held at the David Dralle home, Sunday, July 28.

Sandra Bettenhausen attended a slumber party last week at the home of Sharon Homerding.

Mrs. Wm. H. Bettenhausen spent Sunday at the Alfred Simpson home in Peotone.

Mr. and Mrs. John Bauch entertained the following guests Saturday evening in honor of Marilyn Yunker's birthday:

Mr. and Mrs. Ervin Rehberg and daughter Jane, Mr. and Mrs. Melvin Mueller of Crete, Mr. and Mrs. Vilas Peters and son, Mrs. Martha Peters, and Mr. Robert Flasey.

Mr. and Mrs. Russell Hasenjaeger and family from Rensselaer, Ind., Mr. and Mrs. Roy Krapf of Peotone and Mr. and Mrs. Clinton Hasenjaeger and family of Joliet, were Sunday guests of Mr. and Mrs. George Hasenjaeger.

Mr. and Mrs. Larry Hartney and family of Blue Island were the guests of Mr. and Mrs. Norman Lorenzen at a picnic Sunday.

Mr. and Mrs. John Kuse Sr. celebrated their 45th wedding anniversary by entertaining their children and families at a 6 o'clock dinner. Those attending were Mr. and Mrs. Herman Kuse and daughter, Mr. and Mrs. Henry Kuse and family, Mr. and Mrs. Paul Schrank and family of New Lenox, and Mr. and Mrs. John Kuse Jr. and family.

Mr. and Mrs. Erving Anderson and family of Hopewell, Va. were dinner guests of Mr. and Mrs. Henry Smit on Monday evening.

The MYF of the Green Garden Methodist church will meet Aug. 7 at the David Dralle home for a business meeting. The program committee meeting of the WSCS met July 31 in the Earl Bettenhausen home.

Chapels have been built at two Antarctic bases by Navy seabees working in their off-duty hours.

The Navy icebreaker USS GLACIER made the earliest penetration of Antarctica's ice pack in history, arriving at McMurdo Sound Oct. 28, 1956.

### 4-H Scholarships Increased to \$400

Scholarships in the national 4-H awards programs have been increased from \$300 to \$400, announced G. L. Noble, director, National Committee on Boys and Girls Club Work, Chicago.

Approximately 170 college scholarships of \$400 each will be

awarded at the national level to 4-H Club members whose 1957 records of achievement in their chosen projects are judged best by the Cooperative Extension Service. The scholarships will be presented to the national champions next December during the 36th annual 4-H Club Congress, Noble said.

Among the 4-H activities offering awards of scholarships as well as trips to the Club Congress are the Boys' Agricultural, Poultry, Garden, and Electric programs. Donors of the awards respectively are: International Harvester, Sears-Roebuck Foundation, Allis-Chalmers, and the Westinghouse Educational Foundation. All have supported 4-H work for many years through programs arranged and announced by the National Committee and the Extension Service.

Last year 4-H awards and leader training funds distributed through the National Committee amounted to \$469,397. A similar sum has been assured again this year from non-governmental

G. L. Noble

## FRANKFORT

Mrs. Katherine Heisner  
Frankfort 5187

Miss Mary Ann Heisner was the honored guest at a bridal shower given by Mrs. Glenn Christiansen last Saturday. The invited guests were Mesdames Ronald Simrell, Ronald Schaper, Clarence Heisner, George Kratzberg, Ted Massey, Donald Lorenz, Donald Cappel, Wesley DePorto, Ervin Holm, Harold Cheney, Charles McManemen, Al Hochberger, and George Sangmeister, Sr. Also the Misses Diane Hochberger, Evonne Koerner, Emogene Anderson, Pat Heisner, Karen Piepenbrink, Lois Fuerst, Paula Townsend and Sheila Heisner.

Mr. and Mrs. Wesley DePorto and Mr. and Mrs. Herb Minger and Ruth attended the wedding of Miss Marian Wichendahl, of Grant Park and Ervin Kannberg of Monee, on Sunday evening. The wedding and reception, which followed immediately took place at the Evangelical and Reformed Church in Peotone. The Rev. Plasman officiated at the ceremony.

Carrye Schwartz of Joliet, was the dinner guest Friday of Paul Christiansen.

The week-end guests of Mr. and Mrs. Franklin Christiansen were his sister and husband, Mr. and Mrs. Melvin Guritz of Lawrence, Mich. and his father, Paul Christiansen.

Mrs. Donald Carroll and family spent a month with her sister and husband, Mr. and Mrs. Jack Watkins at Ennis, Montana. They made the trip by train.

Mr. and Mrs. Ted Massey entertained at a party celebrating the birthday of Mrs. Carl Hedberg of Joliet, and Mrs. Christiansen last Tuesday.

Mr. and Mrs. Lester Heisner and family visited Mr. and Mrs. Ed Lane, of Culver, Ind., last Sunday. Son Douglas remained to spend a short vacation.

Mr. and Mrs. Glenn Nissen are the parents of twins, a boy and a girl, born Thursday, July 25. They will be named Jerry Lynn and Joan Elaine and weighed 7 lbs. 8 oz. and 6 lbs. 15 oz. respectively. Excited over the event are the twins' two sisters.

Their first daughter and fourth child was born to Mr. and Mrs. Dan Hecht on Tuesday, July 23, weighing 9 lbs. 11 oz. She has been named Elaine Marie.

A first daughter for Mr. and Mrs. Wm. E. Bettenhausen, who are parents of three sons, was born Tuesday, July 23. The new-comer, Joy Anne, weighed 7 lbs. 3 oz.

Sunday guests of Mr. and Mrs. Milton Subbert were Mr. and Mrs. Walter Kessler of Laporte, Ind.

Robert Novota is attending the Y.M.C.A. Camp McLean, near Burlington, Wis., this week.

The Rev. and Mrs. Adolph Ullrich were dinner guests last Sunday, of Dr. and Mrs. Novota.

Mrs. Alvina Minger, Mr. and Mrs. Ralph Nieland and family, Mr. and Mrs. Walter Pfaff and Mr. and Mrs. Walter Bettenhausen were guests at a fish fry Sunday at the home of Mr. and Mrs. Roy Minger of New Lenox.

Mr. and Mrs. Walter Wiese, Mr. and Mrs. Vookout of Lockport and Mr. and Mrs. Willard Burde, spent Saturday at Cedar Lake.

Dr. and Mrs. Merle Otto and Mr. and Mrs. Ralph Dralle visited the Barn Restaurant Saturday night.

The Wilbert Klier family visited Mr. and Mrs. William Klier Saturday evening and Mr. and Mrs. Vernon Hattendorf, of Mat-tones Sunday.

Gene Harris, of LaGrange and Laverne Brown of New Lenox were Saturday evening dinner guests of Mr. and Mrs. Paul Lambrecht.

Mr. and Mrs. Carl Moss and family of Danville visited Mr. and Mrs. Earl Moss and family last week.

Mrs. William Seemann visited with her sister Mr. and Mrs. William Christians in Chicago, Friday.

Mr. and Mrs. Rbbert Trump and Tamerle spent two weeks in Rimer, Minn.

Guests of Howard Seemann's to celebrate Howard and Barbara Seemann's birthday Sunday evening were, Mr. and Mrs. Henry Hossbach, Evonne and Wayne; Mr. and Mrs. Wilbur Hossbach and family, Mr. and Mrs. Norman Hossbach and family, Mr. and Mrs. Delbert Seemann, and son, Mr. and Mrs. Orville Schinkowski and family, and Mr. and Mrs. William Seemann.

Mr. and Mrs. Robert Van-

Rheeden and family spent Sunday with Mr. and Mrs. Robert Dykstra and family in St. Ann.

Mrs. Lily Herschbach spent the week end with her son and family, the Robert Herschbach's in Joliet.

A church board meeting of St. Peter's Evangelical church will be held Aug. 2, in the church. On Sunday, Aug. 11, no church services or Sunday school class-er will be held.

The afternoon circle of WSCS, of the Methodist church will meet with Louise Hostert. A des-

sert luncheon will be held at 1:15 o'clock.

Plans were made for the local achievement day and an annual trip at the meeting of the Honey Bees 4-H club held July 25. Following routine demonstrations and talks were given. The next meeting will be held in the home of their leader, Mrs. Irving Rudman, Aug. 15 at 1:30 o'clock. Hostesses will be Pamela Petnuch and Norma Knierlem.

Stadium was originally a Greek measure of length, approximate-ly 600 feet.

GOVERNOR

TO YOUR FAIR

In observing its 105th Anniversary this  
year, the management of the Illinois  
State Fair has spared nothing to make  
the 1957 Fair one of the most spectac-  
ular in its entire history. Plan now to  
bring your family to the 1957 Illinois  
State Fair and plan to come often.

AT YOUR STORE OR AT YOUR DOOR
